Illustrious Grand Master's Message

Greetings Companions!

It is becoming a hot summer. I pray you and your love ones are taking all precautions to be safe from the heat.

In my last article, I talked about membership. Here are some facts on new Companions being greeted during 2021 and 2022 (as of July). Between both years, we have greeted 34 new Companions. The majority of them at our one-day Council degrees on October 29, 2021. Based on this data, it appears that some of our Constituent Councils are waiting for another one-day class to come along. I would greatly and emphatically recommend that our Councils use alternative plans such as, District Degrees (degrees done by members of several Councils within a district or several districts), Joint Councils Degrees (done by two or three Councils jointly without regards to the District they belong to), and each Council doing their own degrees (even if they request help from other Councils to fill in positions). This is part of the work required of each Council. I would recommend reading your respective charters that outline your purpose.

I met with the Membership Committee so they can work with our Councils beginning in September. Our goal is 100 new Companions by May 2023. I know we all can make this a reality. However, there's a bigger reality before us. First, we must make these candidates Royal Arch Masons. *This means we must be proactive* in our respective Lodges. We can talk about York Rite but let our actions and behavior be our best selling points for York Rite. Each one of us can bring one Lodge Brother to York Rite. After we greet that new brother as a Royal and Select Master, we need a mentor to be with him for a year. Food for thought.

On another level, the Annual Unity March will be on Sunday, August 7th in DuPont, WA. I am requesting all Royal and Select Masters of Washington from the western side of Washington, and those that choose from the eastern side, to join me and the Grand Line to join us hand-in-hand in our purple coats to say PRESENT as a Royal and Select Matters and to join our Grand Lodge as one Masonic fraternity to show others "... how good and pleasant it is for Brethren to call together in unity... (Psalm 133:1)".

Until we meet again on the level, speak above the triangle, and work with sword and trowel to build a better Vault for our Councils.

Grand Commander's Message

Greetings Sir Knights:

As I sit here to draft this article, I am looking out my window at the start of another beautiful yet sweltering summer day. I am again reminded of the duty we have to watch out for our brethren. Some of our older SK's, a group with which I identify, may not have A/C or be limited in their ability to travel out of the house in this heat. Let us make sure that we check on our brethren to see if they may need assistance. Let us make sure that the widows of our departed companions are not forgotten either.

Many of our commandries are still dark for another month, yet we within the Masonic community still have many events happening. Have you reached out to see if your companions are in need of a ride so that they can enjoy that blue lodge or York Right picnic or another event? As Christian knights we are obligated to care for one another.

Finally, let us not forget to be grateful for the many blessings bestowed on us. Yes, it is hot, but my flowers are still blooming. The lawn is a little brown, but I need to mow it less. And after shoveling several feet of snow this winter I have been happy to store that snow shovel away for the last several months. The point is we can grumble, or we can look with gratitude at what our Father has given us. We can enjoy today and still look with anticipation to tomorrow. I close with a request that we also remember those who this summer have lost loved ones and to remember them in our prayers. Lend a comforting hand and just let them know that we are here for them in their hour of sorrow should they just need to talk or not, but we are here.

Greetings Companions from your Royal Arch Masons Children's Heart Foundation

Companions,

Can you believe it is August already?! I had to be reminded twice. Thanks Bryan, and I am sorry, well maybe. I will be honest the big news I have for you is there is no news which is nothing new IF you only knew. So what I do have is a thought of how we can lean in and provide a little extra for getting our name out there. Next time you have the chance, grab a hand full of our flyers, take them to your local convenience store and ask if they would mind having them on the counter. Maybe take them to the bank and do the same. You do not have to be on the board to be an ambassador for the foundation or to be proud to have the foundation. We, as Washington York Rite Masons, chose to do this and we have made a difference. Let's continue the excellent example laid before us and work to make it a success and not just be happy with where we are. I know we are capable of far greater deeds now with all the advantages we have. We just have to get out there and do it. Look in your area for support groups that might like to hear from us or have some of our information. I hope everyone is enjoying their summer. As for me, I am trying to avoid the heat. I am also still enjoying how great it was to see everyone at the York Rite Picnic and can't wait to see you again.

Royal Arch Research Assistance (RARA)

R.A.R.A. - Royal Arch Research Assistance is a Philanthropy of the General Grand Chapter of Royal Arch Masons, International, was established by action of the General Grand Chapter in 1975.

The purpose of the Philanthropy is to assist in providing funds for Research in areas where there is great need, and which are less than adequately funded from other sources. They have and are directing their main thrust of support to Research in the area of Auditory Perception, which adversely affects untold thousands of children, especially boys.

The study of central auditory function is an intriguing endeavor. A central auditory processing disorder impacts the academic, work, and social behavior of the child and adult. The condition causes them to scramble written, or oral, instructions and thus not understand what is wanted or desired of them even thou they have normal intelligence, normal vision and normal hearing.

This program is identifying the problems (causes) and the cures for this malady. Over the years exciting results have occurred for many children with specialized use of acoustic earplugs and earmuffs, strategic classroom seating arrangements, FM wireless microphone systems and even electronic manipulation of speech signals used to enhance the intelligibility of speech.

Much has been learned and accomplished, however, much still needs to be done. The General Grand Chapter of Royal Arch Masons is pleased to still contribute to the financial support of this worthy endeavor.

Cryptic Masons Medical Research Foundation (CMMRF)

The Cryptic Masons Medical Research Foundation is the national Philanthropy of the General Grand Council of Cryptic Masons, International.

Our Incorporation—March 6, 1986

The Cryptic Masons Medical Research Foundation, (CMMRF), was incorporated in the state of Oklahoma, driven by Most Puissant General Grand Master Ben Mandlebaum, of the General Grand Council, Cryptic Masons International.

Endowed Chair Established at IU—February 1996

The CMMRF Board of Trustees agreed to fund a Chair at the Indiana University Medical Center at the cost of \$1 million. The Foundation agrees to contribute \$200,000/year for five years to endow the chair. As an incentive, the university offered to guarantee a 5% income on the endowment plus matching it with a 5% payout from the endowment.

Dr. Keith L. March, Inaugural Chair—1999

Early in 1999, Keith L. March, M.D., PhD., was named the first holder of the newly endowed CMMRF Chair.

IU Endowed Chair Funded—1999

The final \$200,000 payment was made in December 2000 to fund the Chair at Indiana University.

CMMRF Lab Rebranding Strategy—December 2000

The laboratory sponsored by CMMRF was rebranded as the Indiana Center for Vascular Biology and Medicine (ICVBM). This new program and the creation of an endowed chair drew more than \$2,000,000 in additional funding for the program from non-Masonic sources.
2001-2002 \$300,000

Donation 2007

In 2007, a non-Masonic benefactor challenged CMMRF to match his \$50,000 donation to the Indiana Center of Vascular Biology and Medicine. By meeting his challenge, CMMRF contributed \$300,000 to ICVBM in 2007.

2007 Single Donation Makes Big Progress

In 2008, a Cryptic Mason donated \$20,000 which CMMRF matched and enabled Cryptic Masons to give \$240,000 to ICVBM for research in 2008. Today, upon request, CMMRF will match \$5,000 donations, up to \$25,000.

ICVBM selected to join CCTRN—2008

The IU center was tapped to join the Cardiovascular Cell Therapy Research Network (CCTRN), funded by the National Institutes of Health.

Founding Exec. Secretary Retires—April 2012

Marion K. Crum, Past Most Illustrious Grand Master of the Grand Council, Cryptic Masons of Indiana, retires from service as the first CMMRF Executive Secretary after serving almost 27 years.

CMMRF Donations Exceed \$3M—October 2012

After providing \$200,000 in support to the Indiana University ICVBM in 2013, CMMRF had an aggregated commitment of more than \$3,000,000.

Dr. Michael Murphy, Chair—2013

Dr. Michael P. Murphy selected as the next holder of the Cryptic Masons Medical Research Foundation Chair.

July 17, 2018

"CMMRF supports the Indiana Center for Vascular Biology and Medicine, (ICVBM), located at the Indiana University School of Medicine and the Richard Roudebush Veteran's Administration Medical Center located at Indianapolis, IN.

Because blood vessels are important in maintaining the health or repairing almost all tissues, practically all diseases turn out to have a vascular component connected to their origin or remediation. Diabetes, stroke, poor circulation, wound healing, and many other diseases share the common denominator of blood vessels. Centering our contributions to an organization that addresses so many different health concerns, both nationally and internationally, allows our supporters to share in the medical advancements, regardless of geography. Through the basic and clinical research, conducted by ICVBM and supported by CMMRF, advancements are being made to discover cures for many of today's health problems, prevent major diseases, and finally to save lives. We have the opportunity to improve the human condition for those most dear to us and ourselves. We invite you to become a part of this team and join our partnership in discovery. Let's do something great together!" *(copied from the CMMRF official web page and used with the permission of the CMMRF)*

To All Cryptic Masons Where So Ever Dispersed over the Face of the Earth:

In remembrance of the chartering of Cryptic Masons Medical Research Foundation, The CMMRF Board of Trustees declared Saturday, March 6th, 2021 as CMMRF DAY, calling on all Cryptic Masons to donate five dollars (\$5.00), to their home Council as tribute to this philanthropy and its great works.

Companions, the 2019 CMMRF Goal was \$250,000.00; we reached \$268,000.00. The 2020 goal was \$300,000.00; we reached \$334,000.00. 2021 CMMRF Goal is \$500,000.00. Let's see if we can continue the trend and beat this goal by an even bigger percentage. The total currently raised across all jurisdictions as of 12 February is \$22,722.77. The Grand Council of Washington is responsible for only \$55.00 of that total, \$50.00 from W.F. Meier Council #22 and \$5.00 from Seattle Council #6. We need to get to work!!

Additionally, the CMMRF has received a \$50,000 Challenge Gift to raise a matching \$50,000 by April 1. You can contribute to this match as well as CMMRF Day. Just be sure to mark your

checks/donations for CMMRF Day. And, if you contribute electronically, please remember to include your Council name and number and the Grand Council of Washington, so that you, your Council, and the Grand Council gets the appropriate credit for the donation.

Do not forget the tax and charitable opportunities of directing a portion of your RMD's, (Required Minimum Distributions), to CMMRF, and please consider remembering CMMRF in your estate planning documents.

Council Recorders are to accumulate all donations and send one check, on behalf of the Council to:

CMMRF
P.O. Box 210
Brownsburg, IN 46111-0210 by May 15, 2021.

Thanks for all you do for our great philanthropy!

Knights Templar Eye Foundation (KTEF)

The mission of the Knights Templar Eye Foundation is “To Improve Vision Through Research, Education, and Supporting Access to Care”.

The Knights Templar Eye Foundation, incorporated in 1956, is a charity sponsored by the Grand Encampment of Knights Templar. The Foundation is governed by a Board of Trustees comprised of the six elected officers of the Grand Encampment, all Past Grand Masters of the Grand Encampment, and six trustees-at-large elected from and by the membership for a term of nine years. It is exempt from federal income taxation under Section 501 (c) 3 of the Internal Revenue Code and contributions made to the Foundation are deductible by donors.

The original mission of the Foundation was “to provide assistance to those who face loss of sight due to the need for surgical treatment without regard to race, color, creed, age, sex or national origin provided they are unable to pay or receive adequate assistance from current government agencies or similar sources and to provide funds for research in curing diseases of the eye”.

On December 31st, 2010, the Knights Templar Eye Foundation, Inc., by direction of the board, shifted the Foundation’s focus and adopted a new mission statement “to improve vision through research, education, and supporting access to care.” The Foundation now only participates in direct patient care through the Seniors Eye Care Program in partnership with EyeCare America and the Foundation of the American Academy of Ophthalmology. With this change, the Foundation is benefitting untold millions in generations to come through grants that support research and education. Our research dollars have helped develop new nonsurgical, treatments for strabismus (crossed eyes) and ophthalmologists have told us that our efforts in funding pediatric ophthalmology research have been the primary reason that there are fewer and fewer surgeries for strabismus. The Knights Templar Eye Foundation, Inc., annually announces its call for research grant applications. The Foundation invites eligible investigators to submit applications for pediatric ophthalmology research grants for the award period which normally runs from July 1 to June 30. From the applications received, the Scientific Advisory Committee recommends to the Trustees which requests should be funded.

Since its inception, the foundation has expended over \$156M on research, patient care, and education. Research grants totaling in excess of \$28M have been awarded to researchers working in the fields of pediatric ophthalmology and ophthalmic genetics.

MMS

So as most of our Washington Secretaries and Recorders are about done with their “Annual Report hand-wringing” for another year, I am thinking that a good number of them would welcome a world where they didn’t have to type in the officers names, addresses, phone numbers, email addresses together with technical data relative to past heads-of-bodies, suspended and demitted members, affiliations, deaths and Degree information that could have been updated as the year went along within the MMS system. More and more Secretaries and Recorders have discovered the ease of working within the MMS system as they spend more time getting used to entering new petitioners and simply updating their information as they progress through the fraternity. Every day the heads of our Grand York Rite bodies have an opportunity to review the daily activity within the MMS and thereby acquire more helpful information as to where to direct their help and support. Deputies, Masters of the Arches, and Deputy Instructors are encouraged to become familiar with the MMS system so they can better assist new Secretaries/Recorders and point out how specific elements of the system can aid them in carrying out their duties to the units. Every Washington York Rite member has 24/7 access to their own information that is on file on the MMS platform.

When we first got started with the system, many discovered that the information they thought they had in their local systems turned out to be in error. Degree dates weren’t lining up, spellings were sometimes off a bit, and some who had recently stepped in to these important positions were unable to find a current and/or complete roster. Sometimes, if you are like me, when you get a few more years under your belt, you might tend to forget not only dates, but even that you had availed yourself of some of the bonus degrees and fraternal benefits that others continue to enjoy.

If you would like to do a simple check on what the MMS system has on file for you, there are a few hoops you need to jump through. First, you need a computer or an online device capable of running the Chrome browser. Second, you need one of your MMS membership numbers. Each York Rite body has a different number for you, but any one of them will allow you access to all your personal information. (Hint: Everyone who has a WA Knight Templar membership card has their number in the white section located on the edge of the card). The next thing you need is this internet link: <https://www.masonic-web.com/mms/memberbio/default.aspx>. If you see something amiss, or if information is missing, please let your Secretary/Recorder know so that he can edit your information on your behalf.

As time goes on, look for more information and ideas that will be posted here about how the MMS system can be implemented to make our experience a great one. Secretaries/Recorders - you might want to start dreaming of the day when you can do an annual report with a few simple button-pushes. If you run in to a challenge with this MMS business and need some assistance, that is why I am here. I am always willing to work with you toward a positive resolution.

Fraternally,

MIC Michael Holland, Past Illustrious Grand Master
Technology Committee Chairman
Grand Council Royal and Select Masters of Washington

YORK RITE LIFE MEMBERSHIP MEMORIAL FOUNDATION

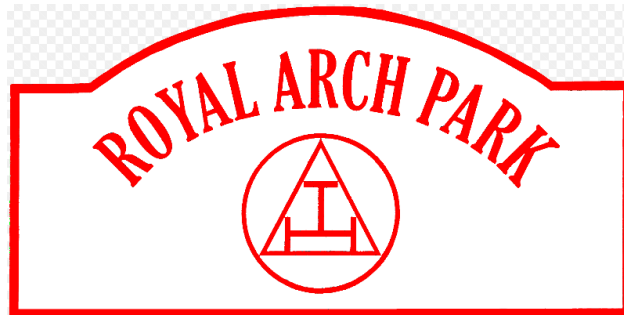

The York Rite Life Membership Memorial Foundation - YRLMMF - was created by the three grand bodies in November 1986. Annual distribution of investment income is made in proportion to the dollars invested by each group not by their membership numbers. The major challenge facing the member groups of YRLMMF (and most Masonic life membership funds) stems from the very low dollar amount required by which a life membership may be purchased. The average annual return of the stock market over the long term is roughly seven percent. So the distribution to chapters that offer low cost life memberships won't even cover the annual per capita tax and will be less than what dues paying members are contributing to the upkeep of their group.

York Rite College Grand Governor's Message

Companion Knights,

This will be my last entry. It has been a pleasure working with you and being a part of this wonderful organization. We hope you are enjoying your summer, even with the heat we are having presently. The York Rite Sovereign College will be meeting next week in Kansas City. I hope that several of you will be able to attend and enjoy the camaraderie with like-minded brethren. You will enjoy it. Again, we request that you review your rituals and be prepared for our meetings this fall. If you have not recommended someone for membership, now is a good opportunity. If your college has younger members, give them a job. They will enhance your college and give it vibrance. Invite your ladies and get them involved. Since virtually all Masonic bodies have been losing members, now is the time to change that trend. Our future is up to all of us.

Sincerely and fraternally,

REDB Louis E. Bartrand
Grand Governor Washington, YRSCNA
