Grand High Priest's Message

Greetings Companions:

I wish to express my sincere appreciation for your vote of confidence in me by electing me as your Grand High Priest for the 2023-2024 Caputular Year. I will do my best to attempt to live up to your expectations. My predecessors have left a great legacy, and I hope that I will not disappoint you in continuing that legacy.

Several objectives, of great importance to me, and I hope also to you, must be pursued to continue to make the Royal Arch and Freemasonry a vital part of the future. One is our candidates who have been kept, I hope patiently, in waiting to join our ranks. In that regard, remember that first impressions are lasting, and the presentation of the Degrees must be impressive so that our new Companions will have an appreciation which will encourage their further activity in our wonderful fraternity.

I am aware that a number of Chapters in our Jurisdiction are struggling. Remember that the source of our membership is the Lodges, and I encourage you to remain active in your Lodges. By doing so, you will be familiar to the Brothers, and then you can take the opportunity to speak to them of the further Masonic education available to them in the Royal Arch.

In the same vein, the annual York Rite Picnic will be held at the Royal Arch Park on Saturday, July 15th. It is planned to put on the Mark Master Degree in the morning at the picnic. This is an opportunity to entice your Blue Lodge Brothers to experience at least this much of the York Rite with the hope that they will then desire to continue in the York Rite.

My next concern is communication. Although electronic communication has some advantages, I fear we have left behind a number of members who are not savvy to electronics and are not electronically connected. We need to make a concerted effort to keep all members informed of our plans and activities by whatever means of communication are needed. This includes not only electronic media, but also snail mail, telephone, and whatever other means we can come up with. Experience shows that keeping our membership informed and involved will go a long way toward accomplishing our goal of membership retention.

Of much concern to me is education. The symbols employed in our Degrees are very old and have many layers of meanings. Conferral of the Degrees can be very impressive, but sometimes the explanations of the philosophy and symbols is superficial. I encourage all to extend their knowledge of the history, philosophy and symbolism of Freemasonry. In this regard, the Companion Adept of the Temple program offered by the York Rite Sovereign Collage of North America is very helpful, and I encourage all of our Companions to take advantage of this wonderful opportunity.

I look forward to visiting each of the Constituent Chapters in the Jurisdiction, and the in-person interactions with all of our Companions. I am planning my Chapter visits beginning in June with Tacoma and Spokane Chapters.

With that I will end this missive, and wish all the very best in this coming Capitular year.

Illustrious Grand Master's Message

Greetings Companions!

Thank you for the opportunity to serve as Most Illustrious Grand Master for the Grand Council of Royal and Select Masters of Washington. I promise to work hard, long, and often on behalf of each of you as such. I am approaching this Grand year with excitement, resolve and with the Goal of continuing to reclaim our relevant and God-ordained role in the lives of Men and in our society. I wish to also extend gratitude to the elected and appointed Officers of the Grand Line, the Masters of the Arches and the multitude of Chairs and Committee men who will have the opportunity to serve the Fraternity as members of the Grand Council. It is an honor and privilege for all of us to be able to make our contributions to our Country and our Fraternity as men of this proud order of Royal and Select Masters. You are members of an elite few who have answered the call as Royal and Select Masters.

Companions, it is the absence of our Fraternities philosophy, understanding and involvement in the outer world that leads to much of the craziness (yes, I believe most of it is true insanity) that we see displayed every day. We must return to that vibrant influential institution of individual men who are equipped to bring sanity and a good understanding back into play as we live our lives in the outer world. We must first and immediately rebuild our Chapters, Councils and Commanderies, along with our Lodges as we take on this important task of rebuilding our society. Companions, this is our task that will go undone if we do not take this action. We must own this and do this.

As I write this, I have just returned from attending the Memorial Day Observance held in Bremerton on the decks of the USS Turner Joy. I attended as the representative of our Fraternity. I am reminded not only of the debt owed to these men and women who have paid the ultimate price in service to our Great Nation, but also, specifically, those members of our Fraternity who have served their country both as members of our military as well as members of our Great Craft and paid that ultimate price.

As I sat and listened to the keynote speaker this morning, Commander Barry Doll, U.S. Navy, Puget Sound Naval Base Kitsap, talk about the brave men and women who have fallen on our behalf, I was struck by a thought. And that thought is this...it was the men of our Fraternity and our Masonic Philosophy that built the country for which these men and women of our military were willing sacrifice their lives for. That sacrifice was made to defend the freedoms, liberty, and rights that our Fraternity overlaid on our country as a Constitutional Republic.

So, I hope that you will agree and join with me in this endeavor to win back the hearts and minds of our society and restore our great Fraternity to a position of influence, good and benefit to this great nation and then to the world. This is our mission; we must choose to take it.

Fraternally,

Grand Commander's Message

Greetings Sir Knights!

First off, I want to thank all of you for electing me to the position of Grand Commander of the Grand Commandery of Knights Templar of Washington. I look forward to working with all of you during this Templar year.

I travelled to Pennsylvania just after our Grand Sessions were completed for some family business, but this trip also gave me the opportunity to attend the 170th Annual Conclave of the Grand Commandery of Pennsylvania. While a number of us have had the opportunity to visit other jurisdictions close to us (Idaho, Oregon, Alaska, etc.), being able to see the work done on the east coast was an amazing experience.

ME David Dixon Goodwin, Past Grand Master of the Grand Encampment of Knights Templar of the United States of America was in attendance, along with RE Jack Harper, Grand Generalissimo of the Grand Encampment. During ME Goodwin's remarks, he commented on the chapeaus the Sir Knights were wearing (in a positive way) and the feathers that they each had. He said he'd visited other jurisdictions where some Sir Knights had old and yellowed feathers but that these were all white. He alluded to the pride the Sir Knights had in their uniforms.

I thought back to the first chapeau I received when I became a Knight Templar. It was an old one which had seen better days, but I had pride in that I had BECOME a Knight Templar. I didn't really think about what this one item represented. Sometimes we don't always see what others see. My first chapeau (which I still have) is now shedding its feathers and I have it put away as a sentimental item. Will I get rid of it because of its condition? Probably not. Will I wear it in its current condition? No. But for me it's a piece of my personal history. I would encourage all Sir Knights to look around and see how others may see us. We all have pride in being a Knight Templar and should show our pride to others.

A year can seem like a long time, yet time seems to go quickly. There are a number of things I'd like the Grand Commandery of Washington to accomplish this year, but in order to do so, we will all need to work together. During my official visits, I want to hear from all of you as to where you want OUR Grand Commandery to be in the present and future.

Fraternally,

Greetings Companions from your Royal Arch Masons Children's Heart Foundation

Companions,

Sessions are over and the Trustees met on May 27th at the Palace Café in Ellensburg. We were able to elect officers and appoint new members to the board. This is an exciting time! As I write this article, I'm hoping to see some energetic faces who want to take a leadership role. I spoke briefly at grand sessions of some of the changes I hope we can agree on to expand and grow. I feel in today's society it is important to be flexible if you're going to be in a service position. We have a wonderful foundation that is capable of doing so much. I have a vision for the future I believe all the trustees will agree upon. Stay tuned for more! Speaking of sessions, congratulations to the new officers elected to lead their bodies into the future. Congratulations to the outgoing officers on a job well done and thank you for your service and guidance over the last year. Finally, did you see that we have some new bling?! That's right! We can now sell you hats (\$25.00), shot glasses (\$10.00), and Challenge Coins (15.00). We still have plenty of those great looking Polo shirts for only \$45.00. But if you are still cold from winter or like to plan early, we still have the great looking sweatshirts for \$45.00. And by special order, thanks to companion Mike Holland, we can do a showcase for the coin that shows both sides and can be displayed beautifully on your wall (this is a pre-order item) for \$50.00.

Your trustees are excitedly waiting to hear from you. If you know of a family in need please go to the RAMCHF.ORG website.

Royal Arch Research Assistance (RARA)

R.A.R.A. - Royal Arch Research Assistance is a Philanthropy of the General Grand Chapter of Royal Arch Masons, International, was established by action of the General Grand Chapter in 1975.

The purpose of the Philanthropy is to assist in providing funds for Research in areas where there is great need, and which are less than adequately funded from other sources. They have and are directing their main thrust of support to Research in the area of Auditory Perception, which adversely affects untold thousands of children, especially boys.

The study of central auditory function is an intriguing endeavor. A central auditory processing disorder impacts the academic, work, and social behavior of the child and adult. The condition causes them to scramble written, or oral, instructions and thus not understand what is wanted or desired of them even thou they have normal intelligence, normal vision and normal hearing.

This program is identifying the problems (causes) and the cures for this malady. Over the years exciting results have occurred for many children with specialized use of acoustic earplugs and earmuffs, strategic classroom seating arrangements, FM wireless microphone systems and even electronic manipulation of speech signals used to enhance the intelligibility of speech.

Much has been learned and accomplished, however, much still needs to be done. The General Grand Chapter of Royal Arch Masons is pleased to still contribute to the financial support of this worthy endeavor.

Cryptic Masons Medical Research Foundation (CMMRF)

The Cryptic Masons Medical Research Foundation is the national Philanthropy of the General Grand Council of Cryptic Masons, International.

Our Incorporation—March 6, 1986

The Cryptic Masons Medical Research Foundation, (CMMRF), was incorporated in the state of Oklahoma, driven by Most Puissant General Grand Master Ben Mandlebaum, of the General Grand Council, Cryptic Masons International.

Endowed Chair Established at IU—February 1996

The CMMRF Board of Trustees agreed to fund a Chair at the Indiana University Medical Center at the cost of \$1 million. The Foundation agrees to contribute \$200,000/year for five years to endow the chair. As an incentive, the university offered to guarantee a 5% income on the endowment plus matching it with a 5% payout from the endowment.

Dr. Keith L. March, Inaugural Chair—1999

Early in 1999, Keith L. March, M.D., PhD., was named the first holder of the newly endowed CMMRF Chair.

IU Endowed Chair Funded—1999

The final \$200,000 payment was made in December 2000 to fund the Chair at Indiana University.

CMMRF Lab Rebranding Strategy—December 2000

The laboratory sponsored by CMMRF was rebranded as the Indiana Center for Vascular Biology and Medicine (ICVBM). This new program and the creation of an endowed chair drew more than \$2,000,000 in additional funding for the program from non-Masonic sources.
2001-2002 \$300,000

Donation 2007

In 2007, a non-Masonic benefactor challenged CMMRF to match his \$50,000 donation to the Indiana Center of Vascular Biology and Medicine. By meeting his challenge, CMMRF contributed \$300,000 to ICVBM in 2007.

2007 Single Donation Makes Big Progress

In 2008, a Cryptic Mason donated \$20,000 which CMMRF matched and enabled Cryptic Masons to give \$240,000 to ICVBM for research in 2008. Today, upon request, CMMRF will match \$5,000 donations, up to \$25,000.

ICVBM selected to join CCTR—2008

The IU center was tapped to join the Cardiovascular Cell Therapy Research Network (CCTR), funded by the National Institutes of Health.

Founding Exec. Secretary Retires—April 2012

Marion K. Crum, Past Most Illustrious Grand Master of the Grand Council, Cryptic Masons of Indiana, retires from service as the first CMMRF Executive Secretary after serving almost 27 years.

CMMRF Donations Exceed \$3M—October 2012

After providing \$200,000 in support to the Indiana University ICVBM in 2013, CMMRF had an aggregated commitment of more than \$3,000,000.

Dr. Michael Murphy, Chair—2013

Dr. Michael P. Murphy selected as the next holder of the Cryptic Masons Medical Research Foundation Chair.

July 17, 2018

"CMMRF supports the Indiana Center for Vascular Biology and Medicine, (ICVBM), located at the Indiana University School of Medicine and the Richard Roudebush Veteran's Administration Medical Center located at Indianapolis, IN.

Because blood vessels are important in maintaining the health or repairing almost all tissues, practically all diseases turn out to have a vascular component connected to their origin or remediation. Diabetes, stroke, poor circulation, wound healing, and many other diseases share the common denominator of blood vessels. Centering our contributions to an organization that addresses so many different health concerns, both nationally and internationally, allows our supporters to share in the medical advancements, regardless of geography. Through the basic and clinical research, conducted by ICVBM and supported by CMMRF, advancements are being made to discover cures for many of today's health problems, prevent major diseases, and finally to save lives. We have the opportunity to improve the human condition for those most dear to us and ourselves. We invite you to become a part of this team and join our partnership in discovery. Let's do something great together!" *(copied from the CMMRF official web page and used with the permission of the CMMRF)*

To All Cryptic Masons Where So Ever Dispersed over the Face of the Earth:

In remembrance of the chartering of Cryptic Masons Medical Research Foundation, The CMMRF Board of Trustees declared Saturday, March 6th, 2021 as CMMRF DAY, calling on all Cryptic Masons to donate five dollars (\$5.00), to their home Council as tribute to this philanthropy and its great works.

Companions, the 2019 CMMRF Goal was \$250,000.00; we reached \$268,000.00. The 2020 goal was \$300,000.00; we reached \$334,000.00. 2021 CMMRF Goal is \$500,000.00. Let's see if we can continue the trend and beat this goal by an even bigger percentage. The total currently raised across all jurisdictions as of 12 February is \$22,722.77. The Grand Council of Washington is responsible for only \$55.00 of that total, \$50.00 from W.F. Meier Council #22 and \$5.00 from Seattle Council #6. We need to get to work!!

Additionally, the CMMRF has received a \$50,000 Challenge Gift to raise a matching \$50,000 by April 1. You can contribute to this match as well as CMMRF Day. Just be sure to mark your

checks/donations for CMMRF Day. And, if you contribute electronically, please remember to include your Council name and number and the Grand Council of Washington, so that you, your Council, and the Grand Council gets the appropriate credit for the donation.

Do not forget the tax and charitable opportunities of directing a portion of your RMD's, (Required Minimum Distributions), to CMMRF, and please consider remembering CMMRF in your estate planning documents.

Council Recorders are to accumulate all donations and send one check, on behalf of the Council to:

CMMRF
P.O. Box 210
Brownsburg, IN 46111-0210 by May 15, 2021.

Thanks for all you do for our great philanthropy!

Knights Templar Eye Foundation (KTEF)

The mission of the Knights Templar Eye Foundation is “To Improve Vision Through Research, Education, and Supporting Access to Care”.

The Knights Templar Eye Foundation, incorporated in 1956, is a charity sponsored by the Grand Encampment of Knights Templar. The Foundation is governed by a Board of Trustees comprised of the six elected officers of the Grand Encampment, all Past Grand Masters of the Grand Encampment, and six trustees-at-large elected from and by the membership for a term of nine years. It is exempt from federal income taxation under Section 501 (c) 3 of the Internal Revenue Code and contributions made to the Foundation are deductible by donors.

The original mission of the Foundation was “to provide assistance to those who face loss of sight due to the need for surgical treatment without regard to race, color, creed, age, sex or national origin provided they are unable to pay or receive adequate assistance from current government agencies or similar sources and to provide funds for research in curing diseases of the eye”.

On December 31st, 2010, the Knights Templar Eye Foundation, Inc., by direction of the board, shifted the Foundation’s focus and adopted a new mission statement “to improve vision through research, education, and supporting access to care.” The Foundation now only participates in direct patient care through the Seniors Eye Care Program in partnership with EyeCare America and the Foundation of the American Academy of Ophthalmology. With this change, the Foundation is benefitting untold millions in generations to come through grants that support research and education. Our research dollars have helped develop new nonsurgical, treatments for strabismus (crossed eyes) and ophthalmologists have told us that our efforts in funding pediatric ophthalmology research have been the primary reason that there are fewer and fewer surgeries for strabismus. The Knights Templar Eye Foundation, Inc., annually announces its call for research grant applications. The Foundation invites eligible investigators to submit applications for pediatric ophthalmology research grants for the award period which normally runs from July 1 to June 30. From the applications received, the Scientific Advisory Committee recommends to the Trustees which requests should be funded.

Since its inception, the foundation has expended over \$156M on research, patient care, and education. Research grants totaling in excess of \$28M have been awarded to researchers working in the fields of pediatric ophthalmology and ophthalmic genetics.

MMS

So as most of our Washington Secretaries and Recorders are about done with their “Annual Report hand-wringing” for another year, I am thinking that a good number of them would welcome a world where they didn’t have to type in the officers names, addresses, phone numbers, email addresses together with technical data relative to past heads-of-bodies, suspended and demitted members, affiliations, deaths and Degree information that could have been updated as the year went along within the MMS system. More and more Secretaries and Recorders have discovered the ease of working within the MMS system as they spend more time getting used to entering new petitioners and simply updating their information as they progress through the fraternity. Every day the heads of our Grand York Rite bodies have an opportunity to review the daily activity within the MMS and thereby acquire more helpful information as to where to direct their help and support. Deputies, Masters of the Arches, and Deputy Instructors are encouraged to become familiar with the MMS system so they can better assist new Secretaries/Recorders and point out how specific elements of the system can aid them in carrying out their duties to the units. Every Washington York Rite member has 24/7 access to their own information that is on file on the MMS platform.

When we first got started with the system, many discovered that the information they thought they had in their local systems turned out to be in error. Degree dates weren’t lining up, spellings were sometimes off a bit, and some who had recently stepped in to these important positions were unable to find a current and/or complete roster. Sometimes, if you are like me, when you get a few more years under your belt, you might tend to forget not only dates, but even that you had availed yourself of some of the bonus degrees and fraternal benefits that others continue to enjoy.

If you would like to do a simple check on what the MMS system has on file for you, there are a few hoops you need to jump through. First, you need a computer or an online device capable of running the Chrome browser. Second, you need one of your MMS membership numbers. Each York Rite body has a different number for you, but any one of them will allow you access to all your personal information. (Hint: Everyone who has a WA Knight Templar membership card has their number in the white section located on the edge of the card). The next thing you need is this internet link: <https://www.masonic-web.com/mms/memberbio/default.aspx>. If you see something amiss, or if information is missing, please let your Secretary/Recorder know so that he can edit your information on your behalf.

As time goes on, look for more information and ideas that will be posted here about how the MMS system can be implemented to make our experience a great one. Secretaries/Recorders - you might want to start dreaming of the day when you can do an annual report with a few simple button-pushes. If you run in to a challenge with this MMS business and need some assistance, that is why I am here. I am always willing to work with you toward a positive resolution.

Fraternally,

MIC Michael Holland, Past Illustrious Grand Master
Technology Committee Chairman

Greetings from Royal Arch Park!!

The park has completed the winter clean up and is already in the throes of the spring mowing season.

It is going to be busy in the park this upcoming season.

**Don't forget! We have released a website that will allow for increased visibility and advertising. Please take a peek at:

A big thank you to all who volunteered to help clean up after the crazy winter we had.

Hello! I'm pleased to introduce myself as the new Executive Director of Washington Masonic Charities (WAMC). The first couple of months of my tenure have been exciting and even more fun than I'd anticipated. In this short amount of time, I've met an array of inspiring Masons. I'm grateful for the insights shared with me as I've talked individually with each of the Grand Line, the other WAMC Board of Trustees and Committee members, and recent past Grand Masters. Every conversation has deepened my respect for Freemasonry. As for the staff, I feel fortunate to have inherited a well-run operation with a team of extremely talented, dedicated, and kind people. This group is incredibly adept at sharing their formidable expertise with a kind of "we're all family" warmth. I've felt immediately welcome.

In these first months I've done a deep dive into the organization's foundation documents, like the bylaws, Articles of Incorporation, policies and procedures, and trusts. Gaining as much understanding as I can of Freemasonry is also important to me, so I've read *Freemasonry for Dummies* and am now engrossed in *Not Made with Hands* and *History of Masonry and Concordant Orders*. As I'm reading these books, I'm struck by how the Masons I've met embody the Masonic values of Faith, Hope and Charity.

Those values will be top of mind for me as I partner with the entire WAMC team to chart our path forward. My leadership approach is collaborative. I'm working with the staff, trustees, and committees to prioritize how we can strengthen our impact in our program areas of bringing comfort to seniors and those in need, investing in our youth, and preserving our Masonic heritage.

I look forward to meeting more of you at upcoming District meetings and in my travels around the state. Please know that my door is always open. You can reach me by calling 253-442-2525, or emailing meganferland@masonscare.org. It's an honor to serve in this capacity.

With deep respect,

Megan Ferland, Executive Director

Megan comes to WAMC with 20 years of experience leading nonprofits. In her previous role as CEO of Girl Scouts of Western WA, she oversaw a \$23M operation with 160 employees, 25,000 youth members, 14,000 adult members, 6 offices, 6 camps, and 3 retail stores.
