Grand High Priest's Message

Greetings Companions:

The holiday season is rapidly approaching. I have been busy making my Official Visits to the various chapters and am encouraged by what I am hearing. Some are making progress is attracting new candidates, and some are attempting to liven up their meetings by having programs in addition to the ordinary business. Unfortunately, it appears another consolidation is in the works, but hopefully that will be of benefit to the members.

The program for Affirmation Sunday with the companions of British Columbia and Yukon was a great success. Thank you, Geoff, for all of your effort in making this a success.

I have more Official Visits planned for November and also one in December. I look forward to visiting with the Companions.

I am pleased that several Chapters are in the process of scheduling degree conferrals. That is wonderful. If you need assistance there are companions in other chapters that are willing to help. Just reach out to them. Together we can work on growing the Royal Arch Chapters. Also, please stay active in the Blue Lodges. That is the source of our members.

Remember to reach out to all members of your Chapter to keep them informed of planned activities, and remember that not all members are electronically connected, so use other means for contact.

I again encourage the High Priests to plan education programs for their meetings. Recognize that there is a great amount of information on the philosophy and symbols presented in the degrees, and the explanations in the degrees are often not adequate to fully develop these ideas. There is assistance available from members of other Chapters, just reach out to them.

Based on my personal experience, keeping the ladies informed and involved is a big help in encouraging attendance and involvement of the Companions, as well as membership retention. Our ladies are a great asset to our fraternity, so try to keep

them involved as well.

Best wishes to all. Hope you all have a Happy Thanksgiving. It is a great tradition for bringing our families together. After all, family is very important.

Illustrious Grand Master's Message

Greetings Companions!

As we enter the final stretch of fall and head into the winter and holiday months, let us start thinking toward the upcoming holiday season and the presence of family and friends as we settle in for a few months of cold and wet. As I have traveled the jurisdiction both on behalf of the Grand Council and, as we all do, under the auspices of the many organizations that we promote and belong to in the Fraternity, a couple of things are apparent.

First, there are so many of us who understand the magnitude and the privilege that it is to be a part of the Masonic Fraternity. We recognize that there is something that is unique about the work that we do, the philosophy that we promote and the friendships and brotherhood that we participate in. I would encourage you to take the time to both contemplate the benefit that is accruing to you as a member of the Fraternity and to take action on those thoughts that the Grand Architect puts upon your heart and in your mind. Make that phone call, spend that time with your friend and brother, memorize the ritual that you have been thinking about. Go just a step or two further in that process of becoming a better man and Mason. Reach out and do that thing that has been in the back of your mind recently.

Second, as an organization, a Council, a Lodge, a Temple Board, et. al...we are just a few men away from achieving greater and greater goals. I would like you to consider a simple technique for beginning that process of rebuilding our Fraternal organizations. That is 5x5. We can rebuild our meetings, fellowships and Chapters simply by having 5 additional Companions show up at our meetings and functions. If you are a leader in your local chapter, simply put a team of 5 companions together and commit to attending a constituent Chapter, Council and Commandery in the Grand Jurisdiction this upcoming month. If you are the Illustrious Grand Master, invite 5 guests to attend your next monthly Council meeting and form your own team of 5 to go visit a Council this month. If your Council normally has 7-8 members attending that additional 5 is nearly a doubling of your attendance. If your Council normally has 10-15 in attendance the additional 5 is a Full House and if you put 20-30 men in a Council meeting, the success will be contagious. What I am asking you to do is to reach out and invite those 5 and also be one of those 5 that visits a constituent Council. This is that Bridge that I referenced in an earlier Focus article. The 5x5 sustains and helps build momentum as we seek to bring additional Masons into the York Rite and incorporate them into our York Rite Bodies.

My travels this past month took me to the Regional York Rite Conference in Salt Lake City. This was a great event and the Council portion was hosted by our own RPC Rabi Peifer,

Deputy General Grand Master, representative of the General Grand Master for the Northwest Region, for the Grand Council of Cryptic Masons International. Well done to one of the best of us!!

My calendar will be updated and posted on the Grand Council Website.

Grand Commander's Message

Greetings Sir Knights!

As 2023 starts to wind down, we are coming into the holiday seasons. Thanksgiving is right around the corner, and Christmas, Hannukah and Kwanzaa are fast approaching. I wanted to share with you "A Prayer of Thanksgiving" which was published on the cover of the November 1997 Knight Templar magazine:

Almighty God, who has given us this good land for our heritage; We humbly beseech thee that we may always prove ourselves a people mindful of thy favor and glad to do thy will. Bless our land with honourable industry, sound learning, and pure manners. Save us from violence, discord, and confusion; from pride and arrogancy, and from every evil way. Defend our liberties and fashion into one united people the multitude brought hither out of many kindreds and tongues. Endue with the spirit of wisdom those to whom in thy Name we entrust the authority of government, that there may be justice and peace at home, and that, through obedience to thy law, we may show forth thy praise among the nations of the earth. In the time of prosperity, fill our hearts wit thankfulness, and in the day of trouble, suffer not our trust in thee to fail. Amen.

As we look at the conflicts taking place around the world, it may be difficult to be thankful at the present time for all that we have. Our Lord and Savior Jesus Christ is always watching over us and will be there to help guide us through all of the strife currently taking place.

I wish all of you and your families a very Happy Thanksgiving. Please take some time to spend with family and friends to celebrate all that we have and all that we have to be thankful for.

Sincerely and fraternally,

Greetings Companions from your Royal Arch Masons Children's Heart Foundation

Companions,

Wow! Can you believe how fast the year is flying by? I must be honest I never know what I am going to write to you about or have I wondered how many read my ramblings until I sit at my computer. Today as I sat down and turned on my monitor the thought hit me of all the traveling I have been a part of since August. That wasn't enough. I also reflected on all the positive moments in those travels. And here is what I have for you Companions. As always, I am honored you have chosen me to lead you in the foundation and I hope that no matter where I travel I represent You and our Foundation with the greatest amount of respect and pride I can afford. My challenge to you as always is to consider being a trustee or a representative for your Chapter. But did you know that even if you don't do it in an official capacity, you are a representative of not only all of York Rite and the Foundation but your companions as well. Take time to learn about what the Foundation offers. If you are having a conversation one day with a coworker who has a child that need our help you can be that child's hero because you chose to be informed. Together companions we do make a difference.

Your trustees are excitedly waiting to hear from you. If you know of a family in need please go to the RAMCHF.ORG website.

Royal Arch Research Assistance (RARA)

R.A.R.A. - Royal Arch Research Assistance is a Philanthropy of the General Grand Chapter of Royal Arch Masons, International, was established by action of the General Grand Chapter in 1975.

The purpose of the Philanthropy is to assist in providing funds for Research in areas where there is great need, and which are less than adequately funded from other sources. They have and are directing their main thrust of support to Research in the area of Auditory Perception, which adversely affects untold thousands of children, especially boys.

The study of central auditory function is an intriguing endeavor. A central auditory processing disorder impacts the academic, work, and social behavior of the child and adult. The condition causes them to scramble written, or oral, instructions and thus not understand what is wanted or desired of them even thou they have normal intelligence, normal vision and normal hearing.

This program is identifying the problems (causes) and the cures for this malady. Over the years exciting results have occurred for many children with specialized use of acoustic earplugs and earmuffs, strategic classroom seating arrangements, FM wireless microphone systems and even electronic manipulation of speech signals used to enhance the intelligibility of speech.

Much has been learned and accomplished, however, much still needs to be done. The General Grand Chapter of Royal Arch Masons is pleased to still contribute to the financial support of this worthy endeavor.

Cryptic Masons Medical Research Foundation (CMMRF)

The Cryptic Masons Medical Research Foundation is the national Philanthropy of the General Grand Council of Cryptic Masons, International.

Our Incorporation—March 6, 1986

The Cryptic Masons Medical Research Foundation, (CMMRF), was incorporated in the state of Oklahoma, driven by Most Puissant General Grand Master Ben Mandlebaum, of the General Grand Council, Cryptic Masons International.

Endowed Chair Established at IU—February 1996

The CMMRF Board of Trustees agreed to fund a Chair at the Indiana University Medical Center at the cost of \$1 million. The Foundation agrees to contribute \$200,000/year for five years to endow the chair. As an incentive, the university offered to guarantee a 5% income on the endowment plus matching it with a 5% payout from the endowment.

Dr. Keith L. March, Inaugural Chair—1999

Early in 1999, Keith L. March, M.D., PhD., was named the first holder of the newly endowed CMMRF Chair.

IU Endowed Chair Funded—1999

The final \$200,000 payment was made in December 2000 to fund the Chair at Indiana University.

CMMRF Lab Rebranding Strategy—December 2000

The laboratory sponsored by CMMRF was rebranded as the Indiana Center for Vascular Biology and Medicine (ICVBM). This new program and the creation of an endowed chair drew more than \$2,000,000 in additional funding for the program from non-Masonic sources.
2001-2002 \$300,000

Donation 2007

In 2007, a non-Masonic benefactor challenged CMMRF to match his \$50,000 donation to the Indiana Center of Vascular Biology and Medicine. By meeting his challenge, CMMRF contributed \$300,000 to ICVBM in 2007.

2007 Single Donation Makes Big Progress

In 2008, a Cryptic Mason donated \$20,000 which CMMRF matched and enabled Cryptic Masons to give \$240,000 to ICVBM for research in 2008. Today, upon request, CMMRF will match \$5,000 donations, up to \$25,000.

ICVBM selected to join CCTRN—2008

The IU center was tapped to join the Cardiovascular Cell Therapy Research Network (CCTRN), funded by the National Institutes of Health.

Founding Exec. Secretary Retires—April 2012

Marion K. Crum, Past Most Illustrious Grand Master of the Grand Council, Cryptic Masons of Indiana, retires from service as the first CMMRF Executive Secretary after serving almost 27 years.

CMMRF Donations Exceed \$3M—October 2012

After providing \$200,000 in support to the Indiana University ICVBM in 2013, CMMRF had an aggregated commitment of more than \$3,000,000.

Dr. Michael Murphy, Chair—2013

Dr. Michael P. Murphy selected as the next holder of the Cryptic Masons Medical Research Foundation Chair.

July 17, 2018

"CMMRF supports the Indiana Center for Vascular Biology and Medicine, (ICVBM), located at the Indiana University School of Medicine and the Richard Roudebush Veteran's Administration Medical Center located at Indianapolis, IN.

Because blood vessels are important in maintaining the health or repairing almost all tissues, practically all diseases turn out to have a vascular component connected to their origin or remediation. Diabetes, stroke, poor circulation, wound healing, and many other diseases share the common denominator of blood vessels. Centering our contributions to an organization that addresses so many different health concerns, both nationally and internationally, allows our supporters to share in the medical advancements, regardless of geography. Through the basic and clinical research, conducted by ICVBM and supported by CMMRF, advancements are being made to discover cures for many of today's health problems, prevent major diseases, and finally to save lives. We have the opportunity to improve the human condition for those most dear to us and ourselves. We invite you to become a part of this team and join our partnership in discovery. Let's do something great together!" *(copied from the CMMRF official web page and used with the permission of the CMMRF)*

To All Cryptic Masons Where So Ever Dispersed over the Face of the Earth:

In remembrance of the chartering of Cryptic Masons Medical Research Foundation, The CMMRF Board of Trustees declared Saturday, March 6th, 2021 as CMMRF DAY, calling on all Cryptic Masons to donate five dollars (\$5.00), to their home Council as tribute to this philanthropy and its great works.

Companions, the 2019 CMMRF Goal was \$250,000.00; we reached \$268,000.00. The 2020 goal was \$300,000.00; we reached \$334,000.00. 2021 CMMRF Goal is \$500,000.00. Let's see if we can continue the trend and beat this goal by an even bigger percentage. The total currently raised across all jurisdictions as of 12 February is \$22,722.77. The Grand Council of Washington is responsible for only \$55.00 of that total, \$50.00 from W.F. Meier Council #22 and \$5.00 from Seattle Council #6. We need to get to work!!

Additionally, the CMMRF has received a \$50,000 Challenge Gift to raise a matching \$50,000 by April 1. You can contribute to this match as well as CMMRF Day. Just be sure to mark your

checks/donations for CMMRF Day. And, if you contribute electronically, please remember to include your Council name and number and the Grand Council of Washington, so that you, your Council, and the Grand Council gets the appropriate credit for the donation.

Do not forget the tax and charitable opportunities of directing a portion of your RMD's, (Required Minimum Distributions), to CMMRF, and please consider remembering CMMRF in your estate planning documents.

Council Recorders are to accumulate all donations and send one check, on behalf of the Council to:

CMMRF
P.O. Box 210
Brownsburg, IN 46111-0210 by May 15, 2021.

Thanks for all you do for our great philanthropy!

Knights Templar Eye Foundation (KTEF)

The mission of the Knights Templar Eye Foundation is “To Improve Vision Through Research, Education, and Supporting Access to Care”.

The Knights Templar Eye Foundation, incorporated in 1956, is a charity sponsored by the Grand Encampment of Knights Templar. The Foundation is governed by a Board of Trustees comprised of the six elected officers of the Grand Encampment, all Past Grand Masters of the Grand Encampment, and six trustees-at-large elected from and by the membership for a term of nine years. It is exempt from federal income taxation under Section 501 (c) 3 of the Internal Revenue Code and contributions made to the Foundation are deductible by donors.

The original mission of the Foundation was “to provide assistance to those who face loss of sight due to the need for surgical treatment without regard to race, color, creed, age, sex or national origin provided they are unable to pay or receive adequate assistance from current government agencies or similar sources and to provide funds for research in curing diseases of the eye”.

On December 31st, 2010, the Knights Templar Eye Foundation, Inc., by direction of the board, shifted the Foundation’s focus and adopted a new mission statement “to improve vision through research, education, and supporting access to care.” The Foundation now only participates in direct patient care through the Seniors Eye Care Program in partnership with EyeCare America and the Foundation of the American Academy of Ophthalmology. With this change, the Foundation is benefitting untold millions in generations to come through grants that support research and education. Our research dollars have helped develop new nonsurgical, treatments for strabismus (crossed eyes) and ophthalmologists have told us that our efforts in funding pediatric ophthalmology research have been the primary reason that there are fewer and fewer surgeries for strabismus. The Knights Templar Eye Foundation, Inc., annually announces its call for research grant applications. The Foundation invites eligible investigators to submit applications for pediatric ophthalmology research grants for the award period which normally runs from July 1 to June 30. From the applications received, the Scientific Advisory Committee recommends to the Trustees which requests should be funded.

Since its inception, the foundation has expended over \$156M on research, patient care, and education. Research grants totaling in excess of \$28M have been awarded to researchers working in the fields of pediatric ophthalmology and ophthalmic genetics.

MMS

So as most of our Washington Secretaries and Recorders are about done with their “Annual Report hand-wringing” for another year, I am thinking that a good number of them would welcome a world where they didn’t have to type in the officers names, addresses, phone numbers, email addresses together with technical data relative to past heads-of-bodies, suspended and demitted members, affiliations, deaths and Degree information that could have been updated as the year went along within the MMS system. More and more Secretaries and Recorders have discovered the ease of working within the MMS system as they spend more time getting used to entering new petitioners and simply updating their information as they progress through the fraternity. Every day the heads of our Grand York Rite bodies have an opportunity to review the daily activity within the MMS and thereby acquire more helpful information as to where to direct their help and support. Deputies, Masters of the Arches, and Deputy Instructors are encouraged to become familiar with the MMS system so they can better assist new Secretaries/Recorders and point out how specific elements of the system can aid them in carrying out their duties to the units. Every Washington York Rite member has 24/7 access to their own information that is on file on the MMS platform.

When we first got started with the system, many discovered that the information they thought they had in their local systems turned out to be in error. Degree dates weren’t lining up, spellings were sometimes off a bit, and some who had recently stepped in to these important positions were unable to find a current and/or complete roster. Sometimes, if you are like me, when you get a few more years under your belt, you might tend to forget not only dates, but even that you had availed yourself of some of the bonus degrees and fraternal benefits that others continue to enjoy.

If you would like to do a simple check on what the MMS system has on file for you, there are a few hoops you need to jump through. First, you need a computer or an online device capable of running the Chrome browser. Second, you need one of your MMS membership numbers. Each York Rite body has a different number for you, but any one of them will allow you access to all your personal information. (Hint: Everyone who has a WA Knight Templar membership card has their number in the white section located on the edge of the card). The next thing you need is this internet link: <https://www.masonic-web.com/mms/memberbio/default.aspx>. If you see something amiss, or if information is missing, please let your Secretary/Recorder know so that he can edit your information on your behalf.

As time goes on, look for more information and ideas that will be posted here about how the MMS system can be implemented to make our experience a great one. Secretaries/Recorders - you might want to start dreaming of the day when you can do an annual report with a few simple button-pushes. If you run in to a challenge with this MMS business and need some assistance, that is why I am here. I am always willing to work with you toward a positive resolution.

Fraternally,

This Section has been modified by Resolution 2015-005 at the 2019 Grand Council.

Washington Masonic Services (formerly Washington Masonic Charities)

This month marks the beginning of my second year leading Washington Masonic Services (WAMS). The first year has been a joy—proof of the adage that time flies when you're having fun! I'm proud of what we've accomplished so far. Masonic Outreach Services continues to serve more than 330 clients each year, scholarships within our Youth Investment program are growing, the Library & Museum is ramping up under the guidance of our now full-time curator, and we're launching a Lodge Match funding effort to double the impact of Blue Lodges in your communities.

It's clear, though, that we have the capacity to expand WAMS' programmatic reach within the Masonic Family and broader community. To escalate our work, I've restructured our staff team to enable us to:

- Use data to guide programmatic, development and operational decisions;
- Address gaps in needed functions, particularly analysis and development;
- Balance workloads, enabling case managers to expand their scope and results;
- Streamline systems, processes and positions to be more efficient and effective; and
- Make the best use of each person's unique skills and interests.

As part of this restructuring, I've created the position of Business Development Director to address the need for data analysis, systems integration, and fund development. PGM Edward C. Woods has accepted this role and will join the team August 7th. His skills and expertise are an exciting addition to the talented team I'm fortunate to work with.

Unfortunately, these types of organizational restructures have a sad side, as some roles are no longer needed. In this case, we said goodbye to the Operations Manager position held by Melanie Copeland. We greatly appreciate her contribution to WAMS over the last 3 years and wish her the very best moving forward.

The team and I are grateful to work together alongside Trustees, volunteers and other inspiring individuals in service of such an important mission. We're excited to have Ed join us!
