Grand High Priest's Message

Greetings Companions:

I attended Falls City Chapter No. 54 and Spokane Chapter No. 2 for my official visits in August. I enjoyed my visits with the Companions and I look forward to Angeles Chapter No. 38 in September. I will also be attending the Grand Chapter Session meetings of Wyoming and British Columbia this month.

Companions, when I make my official visit to your Chapters I have been discussing Grand Chapter Mission, Vision, and Values; my theme of Get Real, Get Better; the 3 initiatives with 3 goals each I set for Grand Chapter this year; and my personal challenge to the High Priests and Chapters. Since I won't make my official visit to some Chapters for many months, I will provide the challenge information now. The challenge is for each Chapter, guided by the High Priest, to identify one initiative to "Get Real". Meaning the Chapter should meet to discuss one issue they would like to improve. Then identify how they can "Get Better" or self-correct. If the Chapter is unable to correct the issue internally, did you seek external assistance from Grand Chapter, Temple Board, or Grand Lodge, etc.? The idea is for each High Priest to provide a short-written report of the issue identified and resolution. The reports will be consolidated and included in the proceedings at Grand Sessions. This process should assist each Chapter, and by sharing the issues and outcomes, and may improve the entire jurisdiction. Additional information is contained in the GHP 2024-25 Annual Plan.

There will be a Grand Lodge Cornerstone Ceremony on Saturday, October 12, 2024, at Children's Village in Yakima, WA. This event supports the Children's Heart Foundation. Companions are authorized to wear aprons, collars, and jewels at this event.

The Northwest York Rite Regional meeting will be held in Spokane, WA on October 18-19, 2024 at the Ruby River Hotel. Grand Chapter and Grand Council will meet on Friday and Grand Commandery on Saturday. Registration is available online at <https://nwyr.org/>

Also in October will be Affirmation Sunday at the Peace Arch in Blaine, WA. The joint event with the Grand Chapter of Royal Arch Masons of British Columbia and Yukon is planned for Sunday, October 27th, 2024, at 10:00AM. This will be an in-person event.

Please see the attached “save the date” flyer for the MWB Jimmy C. Norton, Jr. Grand Masters Class, York Rite Festival. It is planned for Friday, February 28 through Saturday, March 1, 2025 at Ellensburg Masonic Lodge. Chapter and Council degrees will be on Friday and the Commandery Orders on Saturday. The registration details should be forthcoming next month. We are planning on holding a table chapter type festive board.

If you are interested in demonstrating your proficiency in the degrees/orders please contact one of the following to volunteer:

Illustrious **Grand Master's Message**

So why do the Councils of Royal and Select Masters wear the color Purple?

Purple is not a primary color as defined by science. Our modern education teaches that purple is a result of mixing any shade of the primary colors blue and red. Thus, much like the compounding of blue and red produces purple, the compounding of the narrative and teachings of the Blue Lodge degrees of Entered Apprentice, Fellowcraft, and Master Mason with the history of the Jewish people and teachings found in the Chapter Degrees of Mark Master, Past Master, Most Excellent Master, and Royal Arch produces the basis and connection for the degrees of the Council of Royal and Select Masters. So, one reason for purple being identified with the Council is the fact that its basis is derived from two other systems usually identified by blue and red.

In the Bible, purple appears in several different references. A common theme is to symbolize royal apparel and wealth. The Book of Numbers, Chapter 4, Verse 13 says "they shall spread a purple cloth on the altar"; in Judges, Chapter 8, Verse 26 the text refers to the purple raiment of the Kings of Midian. Even the Gospel of John the Evangelist details in Chapter 19, Verse 2 that the Roman soldiers mocked Jesus when "they put on Him a purple robe." Across cultures, Purple is an emblem of royal grief and death with the additional ideas of royal position, justice, and temperance conveyed through history and literature.

Yet of all the symbolism for Purple as it is associated with the degrees and lessons in the Council of Royal and Select Masters, the most important association is the idea that the Council builds a bridge from the teachings of the Blue Lodge across the final exaltation in the Royal Arch degree.

Much like the story line in a great epic series, the use of a flashback or prequel completes the story, enriches characters, and clarifies missing details. The Royal and Select degrees in the Council give us a connecting story of how the treasures

of King Solomon's Temple are preserved for future generations and ultimately discovered by Zerubbabel years later.

Grand Commander's Message

Sir Knights—

First, a little bit about the 69th Triennial. If you happen to see SK Jeff Craig, REPGC, please congratulate him as he was installed as our new Northwest Department Commander. SK Jeremy Vaughn, REPDC, was elected as a trustee on the KTEF. And congratulations to Sir Knight David Kussman on his election and installation as the Most Eminent Grand Master of the Grand Encampment of Knights Templar USA. Sir Knight Jeff Bolstad was elected and installed as the Right Eminent Deputy Grand Master of the Grand Encampment of Knights Templar USA, Sir Knight Jack Harper was elected and installed as the Right Eminent Grand Generalissimo of the Grand Encampment of Knights Templar USA, Sir Knight James McGee was elected and installed as the Right Eminent Captain of the Guard of the Grand Encampment of Knights Templar USA, Sir Knight David Studley on his election and installation as the Right Eminent Grand Treasurer of the Grand Encampment of Knights Templar USA and Sir Knight Larry Tucker on his election and installation as the Right Eminent Grand Recorder of the Grand Encampment of Knights Templar USA.

This year was the first in many that we were able to have a drill team competition. There were eight teams made up of 169 Sir Knights, 101 of them drilling for the first time and the oldest on the drill field was 89 years old! What are we waiting for?! Where are my drill team volunteers?! Please contact myself or SK John Vivian. We are waiting to hear from you!

I have thought of this article a lot. And it really touched home while visiting with a brother I have known for a while from Canada. We had the opportunity to meet for lunch in early August and I had planned to give him one of my coins to spark his interest in the York Rite when he gets back home. As I said he shared a story with me before I could give him my coin—one that I would like to share with you as a hint that this could have been any of us in his shoes. My friend was struggling with life's issues as we sometimes do. One night in Lodge he asked his Lodge brothers this simple favor. His words were "I need you to call and

check on me”. He went on to explain you can call and talk about just about anything just call. And to make it even simpler do it on the same day as your birthday so if you were born on January 10th, please call the 10th of every month for a while until I get over this. My friend has always been a good Brother to me, and it hurt me deep to know his phone didn’t ring. I gave him my coin after hearing that story. And it brought a tear of joy to his eyes. We talked for a bit about why the phone may not have rung and how hard it might have been to start that conversation. But I gave this brother an out and let him know while I may not know to call him, he can always call on me just by giving him a coin. That coin brought a tear to his eye that day but meant more than any words that could have been spoken.

When I was Venerable Master of the Lodge of Perfection in Scottish Rite, one thing I tried tirelessly to do was to get the brothers to reach out and call brothers who weren’t there. Not to ask why they weren’t coming, not to ask if they needed a ride to get there but just to check in on them. But to no avail. It just seemed to be too large of a task. I still make those calls. Many go to voicemail, never to be returned. Others have been good conversations. I try not to bring up lodge business as I don’t want to pressure anyone, but we always seem to talk about lodge as Freemasons will. My fellow Sir Knights, I urge you to pick up that phone and call on a brother that might be struggling. You would be surprised how much a simple call can mean to someone. I don’t know who said it but it is worth repeating: A person may not remember what you said or did, but they will never forget how you made them feel.

And last but not least be well and God Bless you!

Sincerely and fraternally,

Greetings Companions from your Royal Arch Masons Children's Heart Foundation

Companions!

I don't have much for you this month. I do hope life is treating you and your loved ones well. We are in the middle of trying to clean out the office so we can move our office space to Benton City in an effort to cut down our monthly cost for rent, power, etc. The Trustees are also going over our bylaws to see where changes should be made to increase our ability to help those in need. I want to give you a heads up. There are scammers on the loose again. The latest email I have seen actually uses names. Please don't be fooled—we never have a need for anyone to pay an emergency bill. Our population makes us an easy target for these people. Let's not become another of P.T. Barnum's statistics "there's a sucker born every minute". Well, it wasn't one of us.

Your trustees are excitedly waiting to hear from you. If you know of a family in need please go to the RAMCHF.ORG web site.

Royal Arch Research Assistance (RARA)

R.A.R.A. - Royal Arch Research Assistance is a Philanthropy of the General Grand Chapter of Royal Arch Masons, International, was established by action of the General Grand Chapter in 1975.

The purpose of the Philanthropy is to assist in providing funds for Research in areas where there is great need, and which are less than adequately funded from other sources. They have and are directing their main thrust of support to Research in the area of Auditory Perception, which adversely affects untold thousands of children, especially boys.

The study of central auditory function is an intriguing endeavor. A central auditory processing disorder impacts the academic, work, and social behavior of the child and adult. The condition causes them to scramble written, or oral, instructions and thus not understand what is wanted or desired of them even thou they have normal intelligence, normal vision and normal hearing.

This program is identifying the problems (causes) and the cures for this malady. Over the years exciting results have occurred for many children with specialized use of acoustic earplugs and earmuffs, strategic classroom seating arrangements, FM wireless microphone systems and even electronic manipulation of speech signals used to enhance the intelligibility of speech.

Much has been learned and accomplished, however, much still needs to be done. The General Grand Chapter of Royal Arch Masons is pleased to still contribute to the financial support of this worthy endeavor.

Donations can be sent to:

Sir Knights!

This week I returned home from the 69th Triennial of the Grand Encampment in Salt Lake City. It was my first Triennial and quite an experience.

As you can imagine, one of the main topics during the Triennial is the Knights Templar Eye Foundation or KTEF. There was a lot of good information and ideas which were communicated and I am hoping to share some of it with you.

First, and maybe the most important, the KTEF is the only charitable foundation whose focus is research to find cures and treatments for childhood blindness and eye disorders. These cures and treatments have a secondary benefit of having this research not only benefit children, but some of them can lead to helping adults as well.

They showed a newer video, which showed one of the treatments which our research helped a young lady gain her eyesight. It was very touching and can be found on the KTEF website.

Another discussion point was getting our Commanderies 100% Life Sponsored. Washington Grand Commandery accomplished that feat last year and we need to work to keep that goal. We worked hard to accomplish it.

We can add items to our constitutions to ensure each new member, whether by affiliation or a new petitioner, gets a Life Sponsorship in the KTEF. This can be done with Commandery funds or by adding the cost to the fees charged for the Life Sponsorship.

Donations to the Eye Foundation are always welcome by either buying additional Life Sponsorships for other any person the Commandery decides to recognize.

Our Grand Commander has created a special challenge coin for this year to help support the KTEF. All proceeds from the coins go to this organizations.

One of the new members of the Eye Foundation Board is SK Jeremy Vaughn, REPDC, from Idaho. He has been the Northwest Department Commander for the past three years and now will be serving the Knight Templar Eye Foundation in this new capacity.

Another way to help support the Eye Foundation is to remember them with gifts and bequests in your will. This is a good way to support this great charity.

Our KTEF Foundation currently has over \$180 million dollars and we give several million to research each year to help find these treatments and cures. The Foundation is a 501C3 charity which makes these donations tax-deductible.

If you have questions about any of this, please let me know. If you need additional information please ask. I look forward to hear from you.

Fraternally,

**SK Richard Roblee
Very Eminent Deputy Grand Commander
Washington KTEF Chairman**

Cryptic Masons Medical Research Foundation (CMMRF)

The Cryptic Masons Medical Research Foundation is the national Philanthropy of the General Grand Council of Cryptic Masons, International.

Our Incorporation—March 6, 1986

The Cryptic Masons Medical Research Foundation, (CMMRF), was incorporated in the state of Oklahoma, driven by Most Puissant General Grand Master Ben Mandlebaum, of the General Grand Council, Cryptic Masons International.

Endowed Chair Established at IU—February 1996

The CMMRF Board of Trustees agreed to fund a Chair at the Indiana University Medical Center at the cost of \$1 million. The Foundation agrees to contribute \$200,000/year for five years to endow the chair. As an incentive, the university offered to guarantee a 5% income on the endowment plus matching it with a 5% payout from the endowment.

Dr. Keith L. March, Inaugural Chair—1999

Early in 1999, Keith L. March, M.D., PhD., was named the first holder of the newly endowed CMMRF Chair.

IU Endowed Chair Funded—1999

The final \$200,000 payment was made in December 2000 to fund the Chair at Indiana University.

CMMRF Lab Rebranding Strategy—December 2000

The laboratory sponsored by CMMRF was rebranded as the Indiana Center for Vascular Biology and Medicine (ICVBM). This new program and the creation of an endowed chair drew more than \$2,000,000 in additional funding for the program from non-Masonic sources.
2001-2002 \$300,000

Donation 2007

In 2007, a non-Masonic benefactor challenged CMMRF to match his \$50,000 donation to the Indiana Center of Vascular Biology and Medicine. By meeting his challenge, CMMRF contributed \$300,000 to ICVBM in 2007.

2007 Single Donation Makes Big Progress

In 2008, a Cryptic Mason donated \$20,000 which CMMRF matched and enabled Cryptic Masons to give \$240,000 to ICVBM for research in 2008. Today, upon request, CMMRF will match \$5,000 donations, up to \$25,000.

ICVBM selected to join CCTR—2008

The IU center was tapped to join the Cardiovascular Cell Therapy Research Network (CCTR), funded by the National Institutes of Health.

Founding Exec. Secretary Retires—April 2012

Marion K. Crum, Past Most Illustrious Grand Master of the Grand Council, Cryptic Masons of Indiana, retires from service as the first CMMRF Executive Secretary after serving almost 27 years.

CMMRF Donations Exceed \$3M—October 2012

After providing \$200,000 in support to the Indiana University ICVBM in 2013, CMMRF had an aggregated commitment of more than \$3,000,000.

Dr. Michael Murphy, Chair—2013

Dr. Michael P. Murphy selected as the next holder of the Cryptic Masons Medical Research Foundation Chair.

July 17, 2018

"CMMRF supports the Indiana Center for Vascular Biology and Medicine, (ICVBM), located at the Indiana University School of Medicine and the Richard Roudebush Veteran's Administration Medical Center located at Indianapolis, IN.

Because blood vessels are important in maintaining the health or repairing almost all tissues, practically all diseases turn out to have a vascular component connected to their origin or remediation. Diabetes, stroke, poor circulation, wound healing, and many other diseases share the common denominator of blood vessels. Centering our contributions to an organization that addresses so many different health concerns, both nationally and internationally, allows our supporters to share in the medical advancements, regardless of geography. Through the basic and clinical research, conducted by ICVBM and supported by CMMRF, advancements are being made to discover cures for many of today's health problems, prevent major diseases, and finally to save lives. We have the opportunity to improve the human condition for those most dear to us and ourselves. We invite you to become a part of this team and join our partnership in discovery. Let's do something great together!" *(copied from the CMMRF official web page and used with the permission of the CMMRF)*

To All Cryptic Masons Where So Ever Dispersed over the Face of the Earth:

In remembrance of the chartering of Cryptic Masons Medical Research Foundation, The CMMRF Board of Trustees declared Saturday, March 6th, 2021 as CMMRF DAY, calling on all Cryptic Masons to donate five dollars (\$5.00), to their home Council as tribute to this philanthropy and its great works.

Companions, the 2019 CMMRF Goal was \$250,000.00; we reached \$268,000.00. The 2020 goal was \$300,000.00; we reached \$334,000.00. 2021 CMMRF Goal is \$500,000.00. Let's see if we can continue the trend and beat this goal by an even bigger percentage. The total currently raised across all jurisdictions as of 12 February is \$22,722.77. The Grand Council of Washington is responsible for only \$55.00 of that total, \$50.00 from W.F. Meier Council #22 and \$5.00 from Seattle Council #6. We need to get to work!!

Additionally, the CMMRF has received a \$50,000 Challenge Gift to raise a matching \$50,000 by April 1. You can contribute to this match as well as CMMRF Day. Just be sure to mark your

checks/donations for CMMRF Day. And, if you contribute electronically, please remember to include your Council name and number and the Grand Council of Washington, so that you, your Council, and the Grand Council gets the appropriate credit for the donation.

Do not forget the tax and charitable opportunities of directing a portion of your RMD's, (Required Minimum Distributions), to CMMRF, and please consider remembering CMMRF in your estate planning documents.

Council Recorders are to accumulate all donations and send one check, on behalf of the Council to:

CMMRF
P.O. Box 210
Brownsburg, IN 46111-0210 by May 15, 2021.

Thanks for all you do for our great philanthropy!

Grand Council of Washington CMMRF Committee

Knights Templar Eye Foundation (KTEF)

The mission of the Knights Templar Eye Foundation is “To Improve Vision Through Research, Education, and Supporting Access to Care”.

The Knights Templar Eye Foundation, incorporated in 1956, is a charity sponsored by the Grand Encampment of Knights Templar. The Foundation is governed by a Board of Trustees comprised of the six elected officers of the Grand Encampment, all Past Grand Masters of the Grand Encampment, and six trustees-at-large elected from and by the membership for a term of nine years. It is exempt from federal income taxation under Section 501 (c) 3 of the Internal Revenue Code and contributions made to the Foundation are deductible by donors.

The original mission of the Foundation was “to provide assistance to those who face loss of sight due to the need for surgical treatment without regard to race, color, creed, age, sex or national origin provided they are unable to pay or receive adequate assistance from current government agencies or similar sources and to provide funds for research in curing diseases of the eye”.

On December 31st, 2010, the Knights Templar Eye Foundation, Inc., by direction of the board, shifted the Foundation’s focus and adopted a new mission statement “to improve vision through research, education, and supporting access to care.” The Foundation now only participates in direct patient care through the Seniors Eye Care Program in partnership with EyeCare America and the Foundation of the American Academy of Ophthalmology. With this change, the Foundation is benefitting untold millions in generations to come through grants that support research and education. Our research dollars have helped develop new nonsurgical, treatments for strabismus (crossed eyes) and ophthalmologists have told us that our efforts in funding pediatric ophthalmology research have been the primary reason that there are fewer and fewer surgeries for strabismus. The Knights Templar Eye Foundation, Inc., annually announces its call for research grant applications. The Foundation invites eligible investigators to submit applications for pediatric ophthalmology research grants for the award period which normally runs from July 1 to June 30. From the applications received, the Scientific Advisory Committee recommends to the Trustees which requests should be funded.

Since its inception, the foundation has expended over \$156M on research, patient care, and education. Research grants totaling in excess of \$28M have been awarded to researchers working in the fields of pediatric ophthalmology and ophthalmic genetics.

MMS

So as most of our Washington Secretaries and Recorders are about done with their “Annual Report hand-wringing” for another year, I am thinking that a good number of them would welcome a world where they didn’t have to type in the officers names, addresses, phone numbers, email addresses together with technical data relative to past heads-of-bodies, suspended and demitted members, affiliations, deaths and Degree information that could have been updated as the year went along within the MMS system. More and more Secretaries and Recorders have discovered the ease of working within the MMS system as they spend more time getting used to entering new petitioners and simply updating their information as they progress through the fraternity. Every day the heads of our Grand York Rite bodies have an opportunity to review the daily activity within the MMS and thereby acquire more helpful information as to where to direct their help and support. Deputies, Masters of the Arches, and Deputy Instructors are encouraged to become familiar with the MMS system so they can better assist new Secretaries/Recorders and point out how specific elements of the system can aid them in carrying out their duties to the units. Every Washington York Rite member has 24/7 access to their own information that is on file on the MMS platform.

When we first got started with the system, many discovered that the information they thought they had in their local systems turned out to be in error. Degree dates weren’t lining up, spellings were sometimes off a bit, and some who had recently stepped in to these important positions were unable to find a current and/or complete roster. Sometimes, if you are like me, when you get a few more years under your belt, you might tend to forget not only dates, but even that you had availed yourself of some of the bonus degrees and fraternal benefits that others continue to enjoy.

If you would like to do a simple check on what the MMS system has on file for you, there are a few hoops you need to jump through. First, you need a computer or an online device capable of running the Chrome browser. Second, you need one of your MMS membership numbers. Each York Rite body has a different number for you, but any one of them will allow you access to all your personal information. (Hint: Everyone who has a WA Knight Templar membership card has their number in the white section located on the edge of the card). The next thing you need is this internet link: <https://www.masonic-web.com/mms/memberbio/default.aspx>. If you see something amiss, or if information is missing, please let your Secretary/Recorder know so that he can edit your information on your behalf.

As time goes on, look for more information and ideas that will be posted here about how the MMS system can be implemented to make our experience a great one. Secretaries/Recorders - you might want to start dreaming of the day when you can do an annual report with a few simple button-pushes. If you run in to a challenge with this MMS business and need some assistance, that is why I am here. I am always willing to work with you toward a positive resolution.

Fraternally,

MIC Michael Holland, Past Illustrious Grand Master
Technology Committee Chairman
Grand Council Royal and Select Masters of Washington

The annual meeting of the York Rite Life Membership Memorial Foundation will take place on Saturday, October 12th at the Palace Café in Ellensburg, WA. The meeting will begin at 10:00AM.

YRLMMF Meeting Minutes from May 11, 2024

This meeting was conducted immediately after the last session of the York Rite Annual Conclave held in Wenatchee Masonic Center on Saturday, 11 May 2024 at 11:45AM.

Attendance included: Rabi Peifer, Ken Cowen (President), Joe McAlister, Tony Schwab, David Grindle (Treasurer), James Nero, John Vivian (Vice President) and Ron Graham.

The first order of business was to set a meeting for October 12th, Saturday, at 10:00AM, at the Palace Café in Ellensburg, WA. This is a required meeting according to our By-Laws.

The second order of business was to elect David Grindle as the Assistant Secretary of the YRLMMF. This was to facilitate the meeting, minutes and other actions required, necessary to conduct business until the October meeting.

The old YRLMMF checking account had to be closed and those old checks had to be destroyed. A new supply needs to be ordered, if not already.

Several new Life Memberships are still awaiting resolution and need to be addressed. There are checks from February, that just today got distributed to the proper organizations by the resigning Grand Treasurer, that need to be deposited.

It has been a fantastic Summer at the Royal Arch Park. Great weather and lots of rentals. We recently re-graveled the road in the park to provide a smoother ride in and out of the park.

One of our more recent activities was hosting the York Rite Picnic on July 20th. The event was kicked off with the conferring of a Special Degree - *The Ancient and Heroic Order of the Gordian Knot*. I believe there were at least 20 Candidates. Our exemplar Candidate was MEC Dan McCoy, Grand First Principal of the Grand chapter of Royal Arch Masons of British Columbia and Yukon. (A different title, but the same as our Grand High Priest.) The picnic portion of the day was well-attended and there was plenty of food for everyone. Companion Jason Reed acted as Head Grill Master and did a fantastic job. We are hoping for an even larger group next July. (Please mark your calendar now for the 3rd Saturday in July 2025.)

Coming up is a HUGE activity: *The Haunted Forest of Maple Valley*. Work has already begun on getting the park and various sets ready. It is held every Friday and Saturday during the month of October and literally HUNDREDS of people flock to this event. If you have never attended, I would recommend you bring your family and walk the trail. You can expect around 12 stations with different themes along the mile-long trail. Some find it very scary (others, not so much). But the young people working the event look forward to putting on costumes and make-up with the goal of scaring lots of attendees. Among the volunteers are several DeMolays, Job's Daughters, Rainbow Girls, and the Sons of Hiram Riding Club.

Park Board Secretary

Washington Masonic Services (formerly Washington Masonic Charities)

The first priority listed in our mission at Washington Masonic Services (WAMS) is assisting Masons and other community members in need, focusing on aging in place and securing resources for critical essentials. We do this primarily through the work of our case managers, who are each Certified Senior Advisors (CSA). Earning the CSA certification requires individuals to pass a rigorous exam and to uphold the highest ethical standards for the benefit and protection of the health and welfare of seniors.

To maintain their certification, CSAs must complete ongoing continuing education requirements. In their work delivering our Outreach Services program, these professionals bring both their significant expertise and abundant compassion to bear on behalf of the Masonic Family and others needing critical services.

The CSA's paramount focus is to help their clients lead meaningful and dignified lives, providing peace of mind to both the senior and their loved ones. Their efforts involve activities like home safety assessments, finding care resources, streamlining finances, and connecting clients with volunteer and agency resources to help with independent living as well as skilled care. Depending on the situation, WAMS may be able to provide some charitable assistance for expenses like minor home repairs or modifications, or durable medical equipment.

Of just as much value, though, is the warmth and emotional support they provide during what are frequently very challenging days. One of our CSA's recently helped a Mason who reached out for support dealing with his wife's memory issues. Among other needs, the Brother's wife had started trying to leave their home both during the day and at night, causing him great concern. He had a lot on his plate. Our CSA worked with him to do an assessment of their situation. From that, she connected them with care-giving services so there wasn't so much for him to do each day, and suggested the installation of door alarms to help ensure her safety during the night and a timer for the oven to make sure it couldn't be turned on without proper supervision. Her actions brought safety, peace of mind, and a better night's sleep!

Our Outreach Services are here for Masons, their families, and other people in the community facing urgent, critical needs that can't be met through alternate resources. We're seeking to identify a WAMS Lodge Liaison to be each Lodge's dedicated representative, acting as a resource to help connect members to our programs, especially Outreach Services. Thank you to the Liaisons who've already volunteered for this important role. For more information, go to www.masonscare.org/lodge-liaison/.

We're looking forward to partnering with you to support the Masonic family and your communities throughout this year.
