Grand High Priest's Message

Companions,

Greetings! As we are moving rapidly into the holiday season, I want to extend to you a blessing for a prosperous and productive time of year. We have moved through arguably the busiest part of the Masonic Calendar, that being October. New officers are being installed and a new Masonic year is beginning to take shape. I think there is wisdom in having the new officers of our Chapters installed at this change of season. A new line of men to push through the colder and darker period of our year with the new optimism and fresh hope for prosperity and success of our Chapters.

For myself, October led me to the York Rite Regional Conference, held in Boise, Idaho. Companions, this is a wonderful gathering of Chapters, Councils and Commanderies from the Grand jurisdictions of Washington, Oregon, Alaska, Idaho, Montana, Colorado and Wyoming. The Regional Conference is an opportunity to catch up with old friends and brothers and to make new acquaintances, hear the good work going on around the jurisdictions and gain insight on the work and charitable endeavors of the General Grand bodies and the Grand Encampment. What becomes very clear as we attended this event, is the message that we are all part of something much bigger.

It can be hard at times to see the importance of the work that we do in our Chapters when we may struggle with getting enough members to show up to open, get dues collected, attend to the programming of the Chapter and work our way to the success that we all desire. Nonetheless, the work that we are called to has the potential to make a profound impact on the lives of the men who join our ranks.

This was my message to the attendees of the Regional Conference, that in reality our membership woes are over. A bold statement I recognize, however; the number of men who are inquiring about the Fraternity is, in the Grand Jurisdiction of Washington, over 1,400 year over year. Yes, we have over 1,400

men inquiring about becoming Freemasons in the Grand Jurisdiction of Washington. What we are facing, however, is that we are not entirely ready to do our main work, and that is to make these men Masons. We must as Mason's, refocus our attention on making the qualified among these inquirers, Brothers among us. WE MUST GO BACK INTO OUR BLUE LODGES AND HELP GET THESE MEN RAISED TO THE SUBLIME DEGREE OF A MASTER MASON. And we must be ready to then bring them into the York Rite by being ready to confer our degrees.

As usual please don't hesitate to reach out to me. Email is good, or text to my cell @ 360-228-9929 (best)

Illustrious Grand Master's Message

Fraternal Greetings my Companions

November is an important month as we celebrate Veterans' Day and Thanksgiving. Both events are a celebration of gratitude. First, gratitude to God for the blessings we received during the year. May you all have a blessed and joyful Thanksgiving. Always remembering those who have less and being charitable to them. Second, gratitude to those who served honorably in our Armed Forces for the defense of our Constitution and our freedoms. November also reminds us that we are getting closer to winter and the end of the year. On to itself, November is a month of preparation. Many Councils are in the process of installing their new Officers. We should prepare ourselves to greet a new Cryptic year with energy, effort, and commitment determine to make our Councils better.

Last month, I had the privilege to attend the Northwest Regional York Rite conference at Boise, Idaho. I really enjoyed each of the presentations giving by General Grand Chapter, General Grand Council, and Grand Encampment. There was one presentation that caught my attention. It was regarding the Cryptic Mason Medical Research Foundation (CMMRF). Back in 2004, I remember the first medical achievement of CMMRF was the "closure" related to angioplasty surgery. I personally benefited from that medical achievement. Today, CMMRF has made leaps in medical procedures. One of these procedures is dealing with the application of stem cells in several medical areas. Another is regarding veins and aortas. They are testing an instrument called "the bio pen". After watching their presentation, I am very confident of a better tomorrow in the medical field from their researches. For more information on these procedures, please visit the General Grand Council's website. As an individual, I donate due to what it has done in my life. Now, what has your Council done to assist financially CMMRF besides the CMMRF box? Now that you have the Table Council ritual, your Council can use it to do a fundraiser for CMMRF. If you need someone to do a presentation, give either me or the Master of the Arch a call or email.

Another item done at the Conference was my appointment as Ambassador of the General Grand Council Cryptic Masons International for Washington. I am filling

in for VPC Michael Smitson for the rest of his term. With the appointment, my title has changed to Very Puissant Companion (VPC) instead of Most Illustrious. However, I'm still the Most Illustrious Grand Master in Washington.

On behalf of the Grand Line, my lady, Lucy, and myself, may all y'all have a blessed and joyful Thanksgiving with your love ones. To all our Veterans, thank you for your service and integrity to the principles of our great nation. God bless you all.

Companions until we meet again God bless.

Grand Commander's Message

Greetings Sir Knights:

The Season of Thanksgiving is now upon us. It is at this time of the year I take time to reflect on what I am thankful for. I am truly thankful for all my Masonic friends and experiences I have enjoyed through the years. I have been blessed to be able to meet so many wonderful and caring Sir Knights as I have journeyed on this path. Not only Sir Knights but all my masonic brethren. I have seen firsthand the difference we have made in the lives of others through our masonic charities, especially in the lives of our children. At the Northwest conference in Boise this year we were able to see a video of one of the children who our Knight Templars Eye Foundation research grants has helped. The pure joy of the little girl as she runs up and down the street exclaiming over and over "I can see in the night". Not too many dry eyes in the crowd. I encourage each of you to think about donating to our charity. Of course, we are masons so there is some bling associated with your donation, but I have to say that just the joy experienced by that little girl was more than enough for me.

Over the last number of years, the Grand Commandry of Washington has Knighted an average of 30 new knights. We have set a goal of increasing that number this year to 33 new knights. Over the same period of time, we have averaged less than one knight reinstated. Why is that? Why is it that they left our asylums and is it possible to rekindle what they felt when they first took the orders. I am encouraging all commandries to reach out to the Sir Knights that have either demitted or have been dropped NPD and see if we can bring them back.

Finally, Sir Knights, it is the time when many of our commandries are electing the officers who will lead for the next year. I have been to a couple of installations so far and encourage you to attend and support your new officers. While they have been selected to lead, they can only do that with your support in the asylum. I am looking forward to continuing my OV's and would ask that you come out so that the commandry can open and show that yes, we are healthy and growing.

Greetings Companions from your Royal Arch Masons Children's Heart Foundation

Hello Companions,

Well Companions October is behind us and I hope you survived the ghosts and goblins. As we move forward to November and December I hope you and your family are doing well and are happy and healthy. I wish I had some news for you but the best I can say is your trustees are here and waiting to go to work. We are looking for your help if you know of a support group or a family in need please reach out and let one or more of us know. We are scheduled to help the usual places again but that is not enough we all know there has to be at least one child who has slipped through the crack, and to me that seems unacceptable. So as you can see it is up to all of us to get the word out I have new flyers if your chapter is running short.

As always I want to remind you about Amzon Smile it is the best way to give to your foundation without costing you a penny (well except what you buy but you get what I am saying). Your trustees are excitedly waiting to hear from you. If you know of a family in need please go to the RAMCHF.ORG web site.

Royal Arch Research Assistance (RARA)

R.A.R.A. - Royal Arch Research Assistance is a Philanthropy of the General Grand Chapter of Royal Arch Masons, International, was established by action of the General Grand Chapter in 1975.

The purpose of the Philanthropy is to assist in providing funds for Research in areas where there is great need, and which are less than adequately funded from other sources. They have and are directing their main thrust of support to Research in the area of Auditory Perception, which adversely affects untold thousands of children, especially boys.

The study of central auditory function is an intriguing endeavor. A central auditory processing disorder impacts the academic, work, and social behavior of the child and adult. The condition causes them to scramble written, or oral, instructions and thus not understand what is wanted or desired of them even thou they have normal intelligence, normal vision and normal hearing.

This program is identifying the problems (causes) and the cures for this malady. Over the years exciting results have occurred for many children with specialized use of acoustic earplugs and earmuffs, strategic classroom seating arrangements, FM wireless microphone systems and even electronic manipulation of speech signals used to enhance the intelligibility of speech.

Much has been learned and accomplished, however, much still needs to be done. The General Grand Chapter of Royal Arch Masons is pleased to still contribute to the financial support of this worthy endeavor.

Cryptic Masons Medical Research Foundation (CMMRF)

The Cryptic Masons Medical Research Foundation is the national Philanthropy of the General Grand Council of Cryptic Masons, International.

Our Incorporation—March 6, 1986

The Cryptic Masons Medical Research Foundation, (CMMRF), was incorporated in the state of Oklahoma, driven by Most Puissant General Grand Master Ben Mandlebaum, of the General Grand Council, Cryptic Masons International.

Endowed Chair Established at IU—February 1996

The CMMRF Board of Trustees agreed to fund a Chair at the Indiana University Medical Center at the cost of \$1 million. The Foundation agrees to contribute \$200,000/year for five years to endow the chair. As an incentive, the university offered to guarantee a 5% income on the endowment plus matching it with a 5% payout from the endowment.

Dr. Keith L. March, Inaugural Chair—1999

Early in 1999, Keith L. March, M.D., PhD., was named the first holder of the newly endowed CMMRF Chair.

IU Endowed Chair Funded—1999

The final \$200,000 payment was made in December 2000 to fund the Chair at Indiana University.

CMMRF Lab Rebranding Strategy—December 2000

The laboratory sponsored by CMMRF was rebranded as the Indiana Center for Vascular Biology and Medicine (ICVBM). This new program and the creation of an endowed chair drew more than \$2,000,000 in additional funding for the program from non-Masonic sources.
2001-2002 \$300,000

Donation 2007

In 2007, a non-Masonic benefactor challenged CMMRF to match his \$50,000 donation to the Indiana Center of Vascular Biology and Medicine. By meeting his challenge, CMMRF contributed \$300,000 to ICVBM in 2007.

2007 Single Donation Makes Big Progress

In 2008, a Cryptic Mason donated \$20,000 which CMMRF matched and enabled Cryptic Masons to give \$240,000 to ICVBM for research in 2008. Today, upon request, CMMRF will match \$5,000 donations, up to \$25,000.

ICVBM selected to join CCTRN—2008

The IU center was tapped to join the Cardiovascular Cell Therapy Research Network (CCTRN), funded by the National Institutes of Health.

Founding Exec. Secretary Retires—April 2012

Marion K. Crum, Past Most Illustrious Grand Master of the Grand Council, Cryptic Masons of Indiana, retires from service as the first CMMRF Executive Secretary after serving almost 27 years.

CMMRF Donations Exceed \$3M—October 2012

After providing \$200,000 in support to the Indiana University ICVBM in 2013, CMMRF had an aggregated commitment of more than \$3,000,000.

Dr. Michael Murphy, Chair—2013

Dr. Michael P. Murphy selected as the next holder of the Cryptic Masons Medical Research Foundation Chair.

July 17, 2018

"CMMRF supports the Indiana Center for Vascular Biology and Medicine, (ICVBM), located at the Indiana University School of Medicine and the Richard Roudebush Veteran's Administration Medical Center located at Indianapolis, IN.

Because blood vessels are important in maintaining the health or repairing almost all tissues, practically all diseases turn out to have a vascular component connected to their origin or remediation. Diabetes, stroke, poor circulation, wound healing, and many other diseases share the common denominator of blood vessels. Centering our contributions to an organization that addresses so many different health concerns, both nationally and internationally, allows our supporters to share in the medical advancements, regardless of geography. Through the basic and clinical research, conducted by ICVBM and supported by CMMRF, advancements are being made to discover cures for many of today's health problems, prevent major diseases, and finally to save lives. We have the opportunity to improve the human condition for those most dear to us and ourselves. We invite you to become a part of this team and join our partnership in discovery. Let's do something great together!" *(copied from the CMMRF official web page and used with the permission of the CMMRF)*

To All Cryptic Masons Where So Ever Dispersed over the Face of the Earth:

In remembrance of the chartering of Cryptic Masons Medical Research Foundation, The CMMRF Board of Trustees declared Saturday, March 6th, 2021 as CMMRF DAY, calling on all Cryptic Masons to donate five dollars (\$5.00), to their home Council as tribute to this philanthropy and its great works.

Companions, the 2019 CMMRF Goal was \$250,000.00; we reached \$268,000.00. The 2020 goal was \$300,000.00; we reached \$334,000.00. 2021 CMMRF Goal is \$500,000.00. Let's see if we can continue the trend and beat this goal by an even bigger percentage. The total currently raised across all jurisdictions as of 12 February is \$22,722.77. The Grand Council of Washington is responsible for only \$55.00 of that total, \$50.00 from W.F. Meier Council #22 and \$5.00 from Seattle Council #6. We need to get to work!!

Additionally, the CMMRF has received a \$50,000 Challenge Gift to raise a matching \$50,000 by April 1. You can contribute to this match as well as CMMRF Day. Just be sure to mark your

checks/donations for CMMRF Day. And, if you contribute electronically, please remember to include your Council name and number and the Grand Council of Washington, so that you, your Council, and the Grand Council gets the appropriate credit for the donation.

Do not forget the tax and charitable opportunities of directing a portion of your RMD's, (Required Minimum Distributions), to CMMRF, and please consider remembering CMMRF in your estate planning documents.

Council Recorders are to accumulate all donations and send one check, on behalf of the Council to:

CMMRF
P.O. Box 210
Brownsburg, IN 46111-0210 by May 15, 2021.

Thanks for all you do for our great philanthropy!

Knights Templar Eye Foundation (KTEF)

The mission of the Knights Templar Eye Foundation is “To Improve Vision Through Research, Education, and Supporting Access to Care”.

The Knights Templar Eye Foundation, incorporated in 1956, is a charity sponsored by the Grand Encampment of Knights Templar. The Foundation is governed by a Board of Trustees comprised of the six elected officers of the Grand Encampment, all Past Grand Masters of the Grand Encampment, and six trustees-at-large elected from and by the membership for a term of nine years. It is exempt from federal income taxation under Section 501 (c) 3 of the Internal Revenue Code and contributions made to the Foundation are deductible by donors.

The original mission of the Foundation was “to provide assistance to those who face loss of sight due to the need for surgical treatment without regard to race, color, creed, age, sex or national origin provided they are unable to pay or receive adequate assistance from current government agencies or similar sources and to provide funds for research in curing diseases of the eye”.

On December 31st, 2010, the Knights Templar Eye Foundation, Inc., by direction of the board, shifted the Foundation’s focus and adopted a new mission statement “to improve vision through research, education, and supporting access to care.” The Foundation now only participates in direct patient care through the Seniors Eye Care Program in partnership with EyeCare America and the Foundation of the American Academy of Ophthalmology. With this change, the Foundation is benefitting untold millions in generations to come through grants that support research and education. Our research dollars have helped develop new nonsurgical, treatments for strabismus (crossed eyes) and ophthalmologists have told us that our efforts in funding pediatric ophthalmology research have been the primary reason that there are fewer and fewer surgeries for strabismus. The Knights Templar Eye Foundation, Inc., annually announces its call for research grant applications. The Foundation invites eligible investigators to submit applications for pediatric ophthalmology research grants for the award period which normally runs from July 1 to June 30. From the applications received, the Scientific Advisory Committee recommends to the Trustees which requests should be funded.

Since its inception, the foundation has expended over \$156M on research, patient care, and education. Research grants totaling in excess of \$28M have been awarded to researchers working in the fields of pediatric ophthalmology and ophthalmic genetics.

MMS

So as most of our Washington Secretaries and Recorders are about done with their “Annual Report hand-wringing” for another year, I am thinking that a good number of them would welcome a world where they didn’t have to type in the officers names, addresses, phone numbers, email addresses together with technical data relative to past heads-of-bodies, suspended and demitted members, affiliations, deaths and Degree information that could have been updated as the year went along within the MMS system. More and more Secretaries and Recorders have discovered the ease of working within the MMS system as they spend more time getting used to entering new petitioners and simply updating their information as they progress through the fraternity. Every day the heads of our Grand York Rite bodies have an opportunity to review the daily activity within the MMS and thereby acquire more helpful information as to where to direct their help and support. Deputies, Masters of the Arches, and Deputy Instructors are encouraged to become familiar with the MMS system so they can better assist new Secretaries/Recorders and point out how specific elements of the system can aid them in carrying out their duties to the units. Every Washington York Rite member has 24/7 access to their own information that is on file on the MMS platform.

When we first got started with the system, many discovered that the information they thought they had in their local systems turned out to be in error. Degree dates weren’t lining up, spellings were sometimes off a bit, and some who had recently stepped in to these important positions were unable to find a current and/or complete roster. Sometimes, if you are like me, when you get a few more years under your belt, you might tend to forget not only dates, but even that you had availed yourself of some of the bonus degrees and fraternal benefits that others continue to enjoy.

If you would like to do a simple check on what the MMS system has on file for you, there are a few hoops you need to jump through. First, you need a computer or an online device capable of running the Chrome browser. Second, you need one of your MMS membership numbers. Each York Rite body has a different number for you, but any one of them will allow you access to all your personal information. (Hint: Everyone who has a WA Knight Templar membership card has their number in the white section located on the edge of the card). The next thing you need is this internet link: <https://www.masonic-web.com/mms/memberbio/default.aspx>. If you see something amiss, or if information is missing, please let your Secretary/Recorder know so that he can edit your information on your behalf.

As time goes on, look for more information and ideas that will be posted here about how the MMS system can be implemented to make our experience a great one. Secretaries/Recorders - you might want to start dreaming of the day when you can do an annual report with a few simple button-pushes. If you run in to a challenge with this MMS business and need some assistance, that is why I am here. I am always willing to work with you toward a positive resolution.

Fraternally,

MIC Michael Holland, Past Illustrious Grand Master
Technology Committee Chairman
Grand Council Royal and Select Masters of Washington

YORK RITE LIFE MEMBERSHIP MEMORIAL FOUNDATION

Companions and Sir Knights,

All of the Checks for the distribution of earnings from the fund have been written and distributed; however, there are 25 of the checks outstanding.

Please get these deposited into your accounts so that the distribution account can be reconciled.

Also, there are three checks from 2021 that have not been located so that they can be replaced with current checks.

The Annual Meeting of the board will be held on October 22, 2022, in a place to be determined.

Fraternally,
David A. Grindle
Fund Treasurer

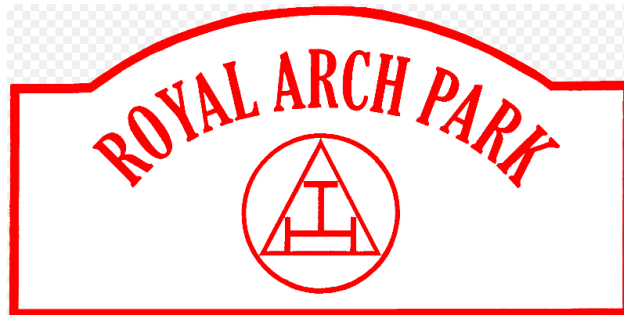

There are four investments managed by the Foundation that are not associated with any Life Membership Plan. Two of these are charities that are not usually advertised in our monthly Focus. We have an active charity sponsored by Washington York Rite Masons that select local ministers and priests to travel to the holy land on a 10-day visit. This visit is sponsored through the Knights Templar in a party of about 30 individuals and includes guided tours of many places addressed in both the old and new testaments. If you would like to assist a Washington minister with an emotional enlightenment on a background of beliefs and teachings please forward your donation to me. The two trips scheduled for 2023 are currently being planned while praying for everyone's good health.

Greetings from Royal Arch Park!!

Haunted Forest made a huge comeback and really scared all those who attended! There were lots of youth groups and many other volunteers that made this event a success.

It is still busy in the park with regular maintenance and fall cleanup.

**Don't forget we have released a website that will allow for increased visibility and advertising. Please take a peek at:
www.royalarchpark.org**

A big thank you to all who volunteer to help make the park successful.

**Companion Jeff Long
Royal Arch Park Board President**

York Rite College Grand Governor's Message

Companion Knights,

The first York Rite College was constituted on June 15, 1957 in the City of Jackson, Michigan. From here, the new organization spread rapidly from coast-to-coast and from north to south and by 1970 Colleges had been established in 14 States and one Province of Canada.

Membership in a College is by invitation, and is restricted to those who hold membership in all of the other York Rite bodies. Since the primary objective of every College is to foster a spirit of service and to promote and support the York Rite in every way possible, it is no surprise to find many of the leaders of the Craft numbered among its ranks. Here they find a common ground from which they can act for the welfare of all York Rite bodies without special favor to any. Colleges have been active in the organization of York Rite Festivals, degree teams, drill corps, and many other functions which serve to assist, coordinate, and unify the Rite.

Sincerely and fraternally,

REDB Joseph W. MacIntyre
Grand Governor Washington, YRSCNA

Hello! I'm pleased to introduce myself as the new Executive Director of Washington Masonic Charities (WAMC). The first couple of months of my tenure have been exciting and even more fun than I'd anticipated. In this short amount of time, I've met an array of inspiring Masons. I'm grateful for the insights shared with me as I've talked individually with each of the Grand Line, the other WAMC Board of Trustees and Committee members, and recent past Grand Masters. Every conversation has deepened my respect for Freemasonry. As for the staff, I feel fortunate to have inherited a well-run operation with a team of extremely talented, dedicated, and kind people. This group is incredibly adept at sharing their formidable expertise with a kind of "we're all family" warmth. I've felt immediately welcome.

In these first months I've done a deep dive into the organization's foundation documents, like the bylaws, Articles of Incorporation, policies and procedures, and trusts. Gaining as much understanding as I can of Freemasonry is also important to me, so I've read *Freemasonry for Dummies* and am now engrossed in *Not Made with Hands* and *History of Masonry and Concordant Orders*. As I'm reading these books, I'm struck by how the Masons I've met embody the Masonic values of Faith, Hope and Charity.

Those values will be top of mind for me as I partner with the entire WAMC team to chart our path forward. My leadership approach is collaborative. I'm working with the staff, trustees, and committees to prioritize how we can strengthen our impact in our program areas of bringing comfort to seniors and those in need, investing in our youth, and preserving our Masonic heritage.

I look forward to meeting more of you at upcoming District meetings and in my travels around the state. Please know that my door is always open. You can reach me by calling 253-442-2525, or emailing meganferland@masonscare.org. It's an honor to serve in this capacity.

With deep respect,

Megan Ferland, Executive Director

Megan comes to WAMC with 20 years of experience leading nonprofits. In her previous role as CEO of Girl Scouts of Western WA, she oversaw a \$23M operation with 160 employees, 25,000 youth members, 14,000 adult members, 6 offices, 6 camps, and 3 retail stores.
